VOL. 57—NO. 142

JACKSONVILLE, ILLINOIS, FRIDAY MORNING, JUNE 15, 1923

TWELVE PAGES—THREE CENTS

PROPOSERS OF WOMEN'S 8 HOUR LAW DROP FIGHT

Decision Comes After Senate Amends the House Measure

(By The Associated Press)
SPRINGFIELD, Ill., June 14.—Proponents of legislation to limit the hours of women in industry decided today to abandon further efforts at this session of the Illinois general assembly.

Senate opponents of an eight hour day bill, which passed the house by a wide margin, succeeded in amending the measure to provide that the industrial commission fix the hours of female labor in all commercial lines of endeavor. Until the commission acts a nine hour day and 56 hour week would prevail. This change was objectionable to senate leaders for welfare legislation. After an attempt this afternoon to suspend the rules and eliminate the industrial commission clause which failed, it was decided to drop the fight. The bill remains on the calendar on second reading, but Senator Barr, Republican, Joliet, said tonight no further move would be made in its behalf.

Working on Omnibus Bill.
The joint conference committee working on the omnibus bill began early this afternoon and when they quit for dinner expressed hope of getting the job finished some time in the night.

Senator Wright, chairman of the senate conference, said that about \$155,000 had been restored to the bill and \$152,000 taken out in conference leaving the bill practically as it passed the senate. Among the items deleted was \$65,000 for the Peoria armory.

The house judiciary committee voted sixteen to twelve to kill Wright's anti-daylight saving bill. Three downstate members—Little of Champaign, Lager of Carlinville and Rennie of Bud—voted with the Chicago members against it. A move will be made on the house floor to non-concur in the committee report, but as this report may be held up until Monday, there is little chance that the bill can pass the lower branch.

Senator Ryan's bill to proclaim the American language the official language of the state passed the house, 102 to 7, and now goes to the governor. Objections were made that it is unconstitutional.

The senate passed by a 32 to 1 vote the house bill prohibiting branch banking. Its next destination is the governor's office.

Representative Castle's bill reducing the inheritance tax fifty per cent also was approved by the senate 39 to 4. If the governor signs it, the tax will be the same as it was two years ago, before the assembly, at the executive's request, increased it.

IDENTIFY BODIES TAKEN FROM RIVER

(By The Associated Press)
CHICAGO, June 14.—One of two bodies taken today from the Chicago river, was identified as that of Charles Grignon, 28 years old, a musician, who according to police disappeared a week ago after starting out in a \$2400 automobile and a large sum of money with him to look for a position. Police believe he was a victim of robbers. The other body was identified as that of Joseph Wislocki by his landlady, Mrs. J. Grigas, who said he disappeared about a week ago.

WASHINGTON IRVING'S NEPHEW IS DEAD

San Francisco, June 14.—Lieutenant Commander Washington Irving, United States Navy, retired, nephew of the famous American author whose name he bears, died at his home here today. Funeral services will be held Saturday.

WEATHER

Illinois: Partly cloudy Friday and Saturday with possibly local thundershowers by Friday night; not much change in temperatures.

Temperatures	
The current, maximum and minimum temperatures as recorded Thursday were:	
Boston	64 82 56
Pittsburgh	54 70 54
New York	78 82 56
Jacksonville, Fla.	78 82 56
New Orleans	82 84 74
Chicago	69 77 66
Detroit	66 82 60
Omaha	76 78 66
Minneapolis	80 86 60
Helena	76 83 56
San Francisco	58 62 50
Winnipeg	78 84 58
Cincinnati	80 84 54
Pennsylvania	54 60 57
Marquette	46 59 42

PROSECUTION IN M'GINNIS CASE NEARLY FINISHED

Attorneys Expect to Complete Evidence Today

(By The Associated Press)
CHICAGO, June 14.—Completion of the state's case in the trial of Mrs. Anna McGinnis and her sister, Myna Ploch, charged with the murder of the former's husband, Michael McGinnis, is expected to be made early tomorrow morning, prosecuting attorneys announced at adjournment of court today.

McGinnis, a city fireman, is claimed by the state to have been the victim of his wife's revolver, that she and her sister might have a free path for their alleged affair with two youths, Albert Nee and Charles Schade, who are being held as accessories before the crime.

Police detectives testified today that Mrs. McGinnis admitted shortly after the shooting that she fired the first shot at her husband and that she held the revolver in her bathrobe which she was talking to him.

A diamond solitaire ring and the gate from the rear fence of the McGinnis home, the latter marked with the sign "Bull dog—Keep out", were introduced in connection with the testimony of Sergeant Albert Jenner. He testified Mrs. McGinnis said the ring had been made from a diamond pin given her by Schade. The gate, the state contends, contains a bullet hole which shatters the theory of self-defense.

LANGUAGE CAUSES RESIGNATION OF BELGIAN CABINET

Wanted to Substitute Flemish for French at Ghent

(By The Associated Press)
BRUSSELS, June 14.—The political crisis resulting from the conflict in parliament over the proposition to substitute the Flemish language for French at the University of Ghent came to a climax this afternoon when the cabinet resigned after the senate had rejected a resolution introduced by Baron Charles De Broqueville for the use of the French.

The king accepted the cabinet's resignation.

Not only was the parliament split on the question, but chamber approving the Flemish language and the senate being opposed to it but there was a division in the cabinet itself, influential members, such as M. Van de Vierende, favoring the preponderance of Flemish, tho a majority of the cabinet members opposed it.

In view of the impossibility of the cabinet reaching an unanimous conclusion as to its attitude on the subject its resignation became inevitable.

DIXIE SHEA IS RETURNED TO PARIS

(By The Associated Press)
PARIS, Ill., June 14.—Dixie Shea, arrested in Chicago on complaint of the Paris Ku Klux Klan, was returned here today. Klan officials charge he obtained money for a charter by representing himself as from the Imperial Konklave, Atlanta. Shea is also charged with impersonating an officer of a fraternal organization and securing the records and roster of the Paris Klan.

Officers who arrested him said he represents a Chicago publication fighting the Ku Klux Klan. His hearing which began today was continued until tomorrow.

OKLAHOMA CITY PASSES FLOOD CRISIS

OKLAHOMA CITY, Okla., June 14.—Oklahoma City passed the crisis of its worst flood today and tonight the north Canadian river was slowly falling. At noon the crest of the flood brought the river up a foot higher than at any time since records have been kept here by the federal weather bureau. Hundreds of lowland dwellers were homeless tonight but it was expected that many of them could return to their water-soaked homes by tomorrow.

GIVES BIG ART TO MUSIC.

CHICAGO, June 14.—Chicago music and art institutions and hospitals are benefitted in endowments by nearly \$2,000,000 thru the will of Clyde H. Carr, late president of Joseph T. Ryerson & Son, filed today in Waukegan.

LOYD GEORGE TO VISIT U. S. THIS FALL

LONDON, June 14.—The Times says it is virtually assured that former Premier Lloyd George will visit the United States and Canada in the autumn.

TROOPS IN PURSUIT OF STAMBOULISKY IN BULGARIAN FORESTS

Once Mighty Premier Isolated from His Followers

(By The Associated Press)
SOFIA, June 14.—Isolated from all his followers, Alexander Stamboulisky the once mighty premier today is a fugitive, pursued by troops beyond Pirdop city twenty miles from Elishintza, where he withdrew after an engagement in which there were casualties. Stamboulisky started for Elishintza in an automobile disguised as an army chauffeur. He had shaved off his mustache. When he and his party arrived at Pirdop his four remaining followers were captured or killed by the troops and the automobile in which they were traveling was seized. During the fighting Stamboulisky escaped and plunged into the forest. He knows perfectly the country where the troops are pursuing him.

Ivan Rousseff, the new minister of the interior, has issued an order for the capture of Stamboulisky. He is to be taken alive, if possible, then the courts will settle his fate.

A sensation has been created by the discovery in the archives of the national bank that Stamboulisky last March signed a check for 120,000,000 leva, the sum having been authorized by a secret meeting of three members of the cabinet. The said, and the expenditure was "judicial" beyond the state procedure for the security of the treasury. The moral character of Stamboulisky is being attacked by the press.

Among the consequences of the fall of Stamboulisky is a general revision of Sofia's municipal seminary, which was for the purpose of the astrological institute to the priesthood. Other restorations of church property include the large pine forest of the Rila Monastery which Stamboulisky seized and turned over to an exploitation company, most of the members of which were Italians, for one fourth of its value.

The new minister of finance M. Theodoroff, has informed the bankers that they must pay a larger share of the taxes. He has assured them however that the peasants will hear their shares. Orders have been issued by the ministry of the interior dissolving peasant political clubs created by Stamboulisky in order to avoid the possible danger of excesses similar to those in Russia against the ruling classes.

REHABILITATING FLOOD DISTRICT

(By The Associated Press)
TULSA, Okla., June 14.—The task of rehabilitating the mud-smeared and water soaked flood area between Tulsa and Sand Springs and in west Tulsa was under way tonight as the Arkansas river continued to recede. At 6 o'clock tonight the river gauge showed 16 feet above normal, a drop of nearly four feet from the high mark of early yesterday. The thousands of flood refugees who fled before the rush of water into their homes two and three nights ago were penetrating the mud-cluttered sections. The paved road to Sand Springs, along which 2,000 homes were flooded swept was still blocked by water. No accurate estimate of damage locally can yet be made but the total loss will exceed \$1,000,000.

PAROLED PRISONER GIVEN SENTENCE

Petersburg, Ill., June 14.—David Gaylord, paroled from the Joliet penitentiary two years ago while serving for murder was convicted for illegally voting and for perjury here today and sentenced by Judge Wolf of Rushville in the Meador county circuit court to one to fourteen years in the state penitentiary at Joliet.

ARMED INTERVENTION THREATENED IN BULGARIA

LONDON, June 14.—A Belgrade despatch to the Times says that armed intervention in Bulgaria by the Little Entente is openly mentioned in Belgrade among the general public who demand decisive action. The attitude of the Yugo-Slav government toward the Bulgarian revolutionaries, however, continues peaceful.

FURTHER SABOTAGE REPORTED IN RUHR

LONDON, June 14.—Strasbourg reports to the Times say that there has been further sabotage in the Ruhr. A bridge between Offenbach and Windschlag was damaged by a bomb and, because of this the mayors of the two neighboring villages have been arrested.

JUST TO RECALL THE OLD WAR DAYS

Army engineers blow up a miniature bridge as part of the demonstrations at Pershing Field, Jersey City, N. J. The general looked on.

War of 1898 Had Important Bearing

NEW YORK, June 14.—President Harding, in a letter read tonight at a dinner of 1,600 Spanish-American War Veterans, commemorating the 25th anniversary of the conflict, declared this country was impelled to a "vastly more important participation in the world's affairs" as a result of the war of '98.

"It was one of the most momentous of the international conflicts in which this nation has engaged," the president asserted. "Not only was our international status enormously changed, and changed in the direction of a larger and vastly more important participation in the world's affairs, but the experience of the war with Spain did very much to prepare the nation for its participation in the world war."

"One might well tremble to think of the horrors that might have marked the mobilization of the men in the world war had it not been for lessons in mobilization, sanitation and management that we learned in that war."

FRENCH DEPUTIES ARE GETTING READY TO TALK POLITICS

Debate Looked For Since Poincare Resigned Starts Today

(By The Associated Press)
PARIS, June 14.—The debate on international politics which has been foreshadowed since Premier Poincare resigned because of the recent vote of the senate refusing to try the communists for treason will begin in the chamber of deputies tomorrow afternoon on interpellations by representatives of the largest group in the chamber known as "the Republican center."

The interpellators, M. Bellet and M. Ybarnegaray, are among the less prominent deputies, but the orators of the different groups are expected to intervene and the debate will likely develop into a sort of lineup for the elections next Spring.

A plan for a coalition of the radicals, Republican Socialists and Socialists in order to regain control of the chamber next year has caused considerable nervousness in the present moderate majority led by Andre Tardieu.

It is proposed to ask M. Poincare if he looks to the parties allied with the Socialists for a majority. The radicals have consistently supported M. Poincare's action in the Ruhr and voted appropriations but the are accused by the members of the Republican center of conniving with the communists in order to carry favor with the extremists in order to facilitate a coalition next year. The leaders of the majority will call upon the premier to define his majority and say whether it includes the radicals. The radicals show no sign of any intention to participate in the debate, but the Socialists and communists announce they will take part.

The group known as the "Democratic left" numbering 88 members which occupies a position

MURDERER SMILES AS HE AWAIT HIS DEATH SENTENCE

Gets Spaghetti, Chicken Dinner and Then the "Loop"

(By The Associated Press)
CHICAGO, June 14.—Working on what police say is their first "hot clue" in the slaying of Richard Tesmer by a woman bandit the night of June 5th, the girl's husband, George Schillo, was arrested in a raid on their apartment later was released after he had been questioned. Police doubt if any of the men under arrest is the male companion of the woman bandit who shot Tesmer.

Pastoni convicted of slaying Mrs. Elizabeth Witchell and her four year old daughter in a fit of mad love, and sentenced to hang, has continuously maintained his innocence. He was blinded in one eye and the hearing of one ear was almost totally destroyed by the bullet he turned on himself after shooting Mrs. Witchell.

His last evening in the death cell he spent in reading and fingering the Catholic prayer book as he murmured prayers. His only request to Warden Wesley Westbrook was for snuff to relieve a cold.

A final effort late tonight to make an eleventh hour appeal to Governor Small in Springfield was attempted by his attorneys but neither Pastoni nor his relatives could muster sufficient money to meet the expenses of the trip.

POPE RECEIVES REAR ADMIRAL

Rome, June 14.—Pope Pius today received in audience Rear Admiral Andrew Long and his staff and a group of fifty sailors from the United States Cruiser ship, which is now anchored at Naples. The Americans were introduced to the Pontiff by Monsignor Eugene Burke, vice rector of the American College.

between the radicals and the Republican center and is led by Emmanuel Brousse, will support a resolution designed to prevent a partisan conclusion of the debate and give the cabinet a vote of confidence.

JOHN F. DEVINE IS CANDIDATE FOR GOVERNOR

Announcement Made at Banquet of House Members Last Night

(By The Associated Press)
SPRINGFIELD, Ill., June 14.—Announcement of the candidacy of John P. Devine of Dixon, for the Democratic gubernatorial nomination next year was made tonight by Michael L. Igoe, of Chicago, at a banquet of members of the house of representatives.

Representative Igoe presented Mr. Devine, who has been Democratic leader of the house this session, with a diamond pin on behalf of the minority members and introduced him as "the next governor of Illinois."

The only reference to the matter by Mr. Devine was the joking remark that it was a pleasure "to have the governorship and a diamond pin" given him tonight, but he did not deny that his hat is in the ring.

The minority leader is the first man to have his candidacy publicly announced for the coming campaign in Illinois, the several others are believed ready to make known their intentions in this respect.

Representative William L. Pierce, Republican, Belvidere, another speaker, said he wanted to thank the Democrats for having selected a man "so ably fitted for that high office, and a man Republicans as well as Democrats could vote for."

"And if the Republican party sees fit to nominate David Shanahan," he added, "there'll be the grandest fight ever."

Mr. Shanahan, who is concluding his fourth session as speaker of the house, is the oldest member in point of service. He was presented with a large silver loving cup as a token of the members' regard for him.

Representative Roger F. Little, Champaign, Republican floor leader, who was presented with a gold headed cane, also referred to Speaker Shanahan as a possible candidate for the governorship.

GET FIRST HOT CLUE IN TESMER MURDER

(By The Associated Press)
CHICAGO, June 14.—Working on what police say is their first "hot clue" in the slaying of Richard Tesmer by a woman bandit the night of June 5th, the girl's husband, George Schillo, was arrested in a raid on their apartment later was released after he had been questioned. Police doubt if any of the men under arrest is the male companion of the woman bandit who shot Tesmer.

COBLENZ HAS NEW ORDINANCE

(By The Associated Press)
LONDON, June 14.—A dispatch to the Times from Cologne says it is reported from Coblenz that a new ordinance has been passed which appears to indicate the beginning of the increased pressure on Germany threatened at the recent Brussels conference. The ordinance imposes duties on imports from unoccupied to occupied territory which hitherto had been free of duty on the basis of the German customs tariff and requires import licenses from the Franco-Belgian authorities. The despatch adds that the ordinance marks a further stage in the process of separating the Rhineland from the rest of Germany.

BUSCH SAYS PRODUCTS BARRED ON LEVIATHAN

St. Louis, June 14.—Augustus A. Busch, president of the local beverage manufacturer announced tonight that he had been advised by a representative of his company in New York that the United States shipping board had barred the products of the company from the Steamship Leviathan.

He attributed the order to his controversy with A. D. Lasker, chairman of the shipping board. The controversy followed charges last year by Busch that intoxicants were being sold upon shipping board vessels in violation of the Volstead act.

LENINE REPORTED IMPROVED IN HEALTH

Moscow, June 14.—By the Associated Press.—According to labor circles in Moscow, Nikolai Lenin, the premier is so much improved in health that he now is permitted to read the newspapers. It is said that this fact, however, does not mean that the danger is past. It is understood that a few days ago improvement in the condition of Lenin was so marked that he requested a report on the government situation but that his doctors declined to let him have it.

CHINESE SLAUGHTER ENTIRE CREW OF MAN SMUGGLING SCHOONER

Story Unfolded When Vessel is Picked Up Adrift

(By The Associated Press)
NEW YORK, June 14.—A story of the horror on the sea within the shadow of the Sandy Hook rum fleet's rendezvous, reminiscent of the days of Buccaneering on the Spanish Main was drawn piecemeal today from 15 Chinese survivors of the man-smuggling schooner Mary Beatrice, picked up adrift last night at the entrance to the harbor.

They unfolded a story of a hand-to-hand encounter between 20 Chinese passengers and the crew of four. In the fight the crew and five Chinese were slaughtered and thrown overboard after the unidentified captain had deserted the craft with \$5,000 passage money. When their story was concluded the authorities were as mystified as they were when the trim little schooner slipped into the harbor with her strange passengers.

The British consulate communicated with officials at Nassau, Bahamas, the port from which the Chinese said they had last sailed, in an effort to trace the ownership of the craft and her captain's identity. Nothing throwing any light on the situation had been received tonight.

The stories of the 15 survivors, pieced together indicated that the schooner had arrived off the coast about June 6th, and stood off for several days awaiting launches to smuggle the Chinese ashore. Provisions and drinking water ran short and then the mysterious captain to whom each had paid \$250 quit the ship and has not been seen since.

MISSION UNEARTHES OLD BUILDINGS IN BESIAN, PALESTINE

Were Occupied in the Time of Seti I. About 1266 B. C.

(By The Associated Press)
LONDON, June 14.—The mission excavating for the University of Pennsylvania at Besian, Palestine, the Bethesda of the Old Testament, has unearthed, according to a Times dispatch from Jerusalem, substantial Egyptian buildings, with evidence of five centuries occupation and two large clear monumental inscriptions of Seti I and Rameses II, respectively.

The inscriptions indicate military dispositions of known divisions of Egyptian Troops and give references to neighboring cities on both sides of the Jordan.

(Beisan is a small town north-east of Jerusalem. Seti I was king of Egypt of the nineteenth dynasty, about 1366 B. C. He was the father of Rameses II.)

ANOTHER STEP IN STREET CAR TROUBLE

(By The Associated Press)
CHICAGO, June 14.—Another forward step in the peaceful settlement of Chicago's Street Car problem was made today when a joint conference of employees and officials in Mayor William E. Dever's office agreed to a settlement by a three member arbitration board. The membership of the board will be made up of one selected by the officials and the third by Mayor Dever. Hearings are to be started as soon after the naming of the board membership as practical. Separate boards are to hear the surface lines and elevated representatives.

NO CHANGES IN BASEBALL TEAMS

New York, June 14.—Followers of baseball were surprised when at midnight nonannouncements of trades in any of the major league circuits had been made. Neither was there word of any releases cutting teams to the limit of 25.

Under the rule adopted last winter the major leagues had until midnight tonight to make trades, but if any were completed the news was kept secret. Most of the clubs were down to the limit of 25 players, but it was believed that some were still overstocked.

LENINE REPORTED IMPROVED IN HEALTH

Moscow, June 14.—By the Associated Press.—According to labor circles in Moscow, Nikolai Lenin, the premier is so much improved in health that he now is permitted to read the newspapers. It is said that this fact, however, does not mean that the danger is past. It is understood that a few days ago improvement in the condition of Lenin was so marked that he requested a report on the government situation but that his doctors declined to let him have it.

DEADLOCK BETWEEN TURKS AND ALLIES STILL CONTINUES

Turkey Objects to the Idea of Moratorium to Pay Debts

(By The Associated Press)
LAUSANNE, June 14.—The deadlock between the Turks and the allies at the Near East peace conference still continues. Turkey objects to the idea of a moratorium for the payment of interest on the Turkish debt as implying bankruptcy and therefore a national indignity and she has persisted in her demand to pay in French paper francs. The Turkish delegation was told today that the French was impossible as the basis for payment owing to the legal right of the bond holders.

Venzelos head of the Greek delegation injected somewhat of a sensational note into the conference today by demanding to know where the conference stood in its adjustment of the conference was alarming the Greeks who wanted to demolish the army which was eating up the funds of the Greek treasury.

M. Venzelos suggested the signing of peace preliminaries between Greece and Turkey in case the conference had to be adjourned.

The European diplomats gave M. Venzelos to understand that the Greeks were not relaxed and that the Greeks should wait patiently until the allies solved their difficulties with Turkey. The allies tonight sent a formal communication to the Greek delegation saying that Greek intervention would be inopportune as the outstanding problem merely concerned the allies and Turkey.

Ismet Pasha, head of the Turkish delegation tonight telegraphed the Ankara government explaining his difficulties and asking for instructions. At midnight Ismet received the Turkish journalists and told them he considered the situation strained because Turkey was unable to accept the allied conditions for settlement of the debt dispute. He added that the allied suggestion that Turkey should make a direct agreement with the bond holders was too vague, and that Turkey wanted to know the exact yearly fiscal charges.

CHINESE SOLDIERS PLAN KIDNAPING

(By The Associated Press)
CHICAGO, June 14.—Stories of Chinese soldiers turning bandit when there is better opportunity for gain, carefully planned kidnappings of children of wealthy persons and prominent men to be held for high ransom in a country practically without law enforcement were recited today by the Reverend Burho Hagspiel, society of the Divine Word, who recently returned to Saint Mary Mission House at Techny, Ill. from a six months trip to China.

Father Hagspiel told of some of the methods of torture by the Chinese bandits. When a person is captured his eyes are glued shut and his ears stopped with wax to prevent recognition of his captors and taken to the bandit resort. Notice is sent to relatives of the captured and if the money demand is not forthcoming an ear is cut off and sent to the relatives as a reminder. Father Hagspiel said that in some parts of China conditions had become so bad the rich seek refuge in places other than their homes at night.

SAYS HARDING WILL BE NOMINATED

Pocatello, Idaho, June 14.—Pocatello Harding, without doubt will be renominated by acclamation at the next Republican convention according to United States Senator William E. Borah of Idaho, who spoke here today at the annual convention of the Idaho, B. P. O. Elks.

STAUNTON MAN KILLED BY TRAIN

St. Louis, June 14.—George Board 25, Staunton, Ill., salesman was killed when the automobile in which he was riding was struck by a train today near Alhambra, Illinois.

Leslie Jorr, 32, also a Staunton salesman who was driving the car was seriously injured.

CO-OPERATION IS SPIRIT OF 1918

Chicago, June 14.—If 1918 presents, in business, any striking feature over previous periods it is in the spirit of co-operation. This was the point emphasized today by E. E. Parsons of Moline, Ill., before the annual convention of the National Hardwood Lumber association.

MORALS AND PROSPERITY

Good and bad times, when all is said and done, are probably moral effects rather than results of impersonal "economic laws." They are things that people bring upon themselves rather than things thrust upon them from the outside.

Here we have prosperity now. And as prosperity continues, most of us will begin to get extravagant and thriftless and lazy, just as we have done in similar periods before. And when the process has gone far enough, and we are using and squandering more than we're producing, there will be a slump again. Then we will start, from necessity, on a new era of thrift and productive effort, trying to make the best of everything. And thus, in due time, when we have earned it, we may enter upon another period of prosperity.

A race of perfect beings, able not only to understand this but to set a straight moral course and keep it, might get rid of "business cycles" and continue prosperous indefinitely. But we're still far from perfect.

EXPENSIVE GOVERNMENT

"There is no more important duty confronting public officials," wrote President Harding in a recent letter, "than the enforcement of the utmost

with good administration." He therefore urged the employment of every possible means "to insure against unnecessary increases in the cost of government."

How great that cost has become is well shown by figures he submits. Not to mention the cost of federal government, appropriations, the state governments in 1921 spent \$1,065,000,000 against \$383,000,000 in 1913, and 227 cities spent \$1,724,000,000 against \$1,010,000,000 in 1913. In the same eight-year period the states increased their indebtedness 139 per cent and the cities 49 per cent. Expenditures and debts have been rising more rapidly than ever since 1921.

Federal experts estimate that the American people are now paying about one-seventh of their income for federal, state and municipal government. That means about \$400 per family. No doubt government, in its broad sense, does more for citizens now than it used to do, when life was simpler and more was left to the individual and less responsibility was assumed by the community. But hardly anyone will pretend that all of the public enterprises, expensive buildings, special services, etc., obtained nowadays, are necessary or worth all that is paid for them. And their cost is one of the biggest factors in keeping people poor, in spite of apparent prosperity.

ALL HONOR TO VETERANS

Jacksonville is entertaining several hundred men who saw service in the Spanish-American war and today there will be many visitors who rank as ex-service men of the world war. This city is glad to do honor to those veterans and to have them as guests.

The war with Spain like so many other events in history, has gained in importance thru retrospection. The spirit manifested at that time by the men who promptly volunteered for service on a foreign soil if need be, has been the spirit of America in the after years. It might be truth-

fully said that the Spanish-American war brought to this country a keener realization of its world responsibility and that a still fuller knowledge came with the world war.

In the Spanish American war there were thousands of soldiers whose service was not beyond the training camps, just as was true in the later war. In both instances the men in the training camps and the men who were at the battle front occupy the same place in the estimation of their fellow citizens. All were service men in the big meaning of that term. All honor to the veterans of two wars who are in Jacksonville today.

THE EUROPEAN MAELSTROM

Dr. W. H. Stevenson, who made an address at Westminster church on European conditions, does not take a very hopeful view of the situation. The Jacksonville people who heard this speaker appreciated the opportunity of securing the opinion of a man they knew and whose judgment they respected, based upon so long a stay overseas.

Summed up, Dr. Stevenson does not believe there is any sure cure for the troubled conditions in European countries, or that any economic readjustment will come until there has been change in the ideals and purposes of the people. Such changes do not come to pass speedily. They must result from a growth or evolution. Mental, moral, intellectual changes must take place which at present will require years to accomplish.

A description of these European conditions has the effect on most people of strengthening their belief that America would attempt a hopeless task if she entered into an agreement whereby she would take on responsibility for European strife and jealousies. The task of big brother to all Europe, of seeking to keep peace there amidst so many warring forces, appalls them.

On the other hand there are those who because of these very conditions and the great need for peace and order feel it is the duty of the U. S. to seek every responsibility which those who hold the other view so religiously shun.

Benjamin Chapin in "Abraham Lincoln," Westminster church Sunday night, "My First Jury."

MUST SELL A CITY TO ITS OWN PEOPLE

This Was the Message Robert Fay Gave Kiwanians and Rotarians Thursday.

"Selling your city to its people" was the theme of a practical address made by Robert C. Fay at Chicago, before a joint meeting of Kiwanians and Rotary clubs at the Peacock Inn at noon Thursday.

Kiwanians had arranged for the coming of Mr. Fay, who is a representative of the LaSalle University of Chicago, and Rotarians were given the opportunity of hearing the excellent address.

C. Y. Rowe, president of the Kiwanians, presided, and introduced Dr. A. H. Dolbear, president of Rotary club, who voiced the hope that there may be increasing cooperation between the two clubs for the benefit of Jacksonville.

Mr. Rowe then presented Felix E. Farrell, chairman of the program committee. Mr. Farrell spoke of the pleasure the assembly had in the presence of Miss Julia Lathrop, so widely known for philanthropic and social service work.

Miss Lathrop a Guest.

Miss Lathrop made very brief reference to the work of the Illinois League of Women Voters, of which she is now an officer, and expressed the hope that women of the league may measure up fully to the duties of citizenship now that suffrage has been given, and eventually be of real service in solving the problems of the country.

Then Mr. Farrell introduced Mr. Fay, who as a representative of the university with which he is associated, has occasion to visit many cities and address gatherings of business men.

Mr. Fay laid special emphasis upon the thought that a city does well when it impresses upon its citizens the good things about the city and teaches the lesson of local patriotism. He said that too often cities do their advertising beyond their confines and neglect to "sell their city" to their own people.

City Loyalty.

The thing of selling the city to its people is worth while both for the present day and for the future. By this means the young people who are the citizens of tomorrow will learn a city loyalty that they will not otherwise have and the chances are stronger for their remaining at home instead of seeking fame and fortune elsewhere.

The speaker also made a plea for service in business and mentioned some of the conspicuous mercantile successes that have been worked out on this basis. Incidents were related to show the need for giving employees enthusiasm and vision and the speaker went on to show that thru education influences much of the hindrance life can be obliterated and men given higher aims for business success. It was a very thoughtful address.

Before the program began the members of the club joined in a program of mass singing under the leadership of W. A. Berryman.

A REAL WATCH DOG

The intelligence and acute hearing of "Bussie," a Boston bull terrier owned by H. H. Massey, probably recently prevented the theft of Mr. Massey's automobile. The dog always sleeps in the house and when he barks at night the members of the family know that something is wrong.

About one o'clock one morning recently he awakened the household by barking viciously. When the door was opened he ran toward the garage. Mr. Massey followed soon afterward and found both of the double doors of the garage open, although nothing was missing. He feels certain that Bussie had put the prowlers on the run.

Answering another summons from the dog one night last spring Mr. Massey took a spot light and gun to the cellar, where a sure enough thief was at work on an egg case. This time it was an opossum.

Some of Mr. Massey's friends laughed a few months ago when he refused \$50 for Bussie but now they say the dog is well worth the money. Bussie has ridden thousands of miles with Mr. and Mrs. Massey in their car and they rightly call him their body guard.

Benjamin Chapin in "Abraham Lincoln," Westminster church Sunday night, "My First Jury."

A. W. BECKER BUYS

COLLEGE AVE PROPERTY
A. W. Becker has purchased from Miss Irma Fox the property on West College avenue just west of the public library.

This residence, sold a year or two since by Mrs. Pitner to Miss Fox, was damaged by fire several months since. Mr. Becker intends to either resell the property or rebuild. If the building plan is carried out it will provide for four flats. Since the rubbish from the fire has been cleared away, much of the old structure has been found in good condition.

The Misses Helen and Catherine Hart of Winchester are visiting friends and relatives here during the jubilee celebration.

NOTICE

All persons having automobiles to donate to take care of out of town visitors June 15 and 16 will confer a favor on the American Legion and the United Spanish War Veterans by calling Harry Herring, care Luke-man Motor Co., phone 331.

"DADDY" SCHICK WILL BE GUEST AT JUBILEE

CHARLES W. SCHICK

Every World War veteran in Illinois has heard of Charles W. (Daddy) Schick, present commander of the Illinois Department of American Legion. He will be in Jacksonville today and deliver an address in connection with the Patriotic Jubilee.

MRS. STRAWN'S WILL PLACED ON RECORD

Property of Well Known Woman Bequeathed to Sisters and Brother

The will of the late Mrs. May Strawn was made a matter of record Thursday in the office of County Clerk G. L. Riggs. This document was dated April 24, 1923. Provision was made for the payment of debt and funeral expenses and the testatrix indicated that she had previously made certain realty bequests by transfer to her brother, Robert L. Montgomery of Chicago; her sisters, Mrs. Antoinette Kemey-Tynte of Chicago, and Miss Georgia Montgomery, Jacksonville.

It is provided that all the remainder of the real estate and all the personal property shall pass to the ownership of Miss Georgia Montgomery, who is named as executrix of the will. The signature of Mrs. Strawn was witnessed by C. A. Hemphill, Miss Elizabeth Dunavan and A. Johnson.

REAL ESTATE TRANSFERS
Dwight Kastrop to T. E. C. in lot 1, Osborne's addition, Jacksonville, \$1.

Kate Robertson to A. G. Code, lot 4 and pt. lot 3, Robertson's sub-division of Elm Grove addition, \$1.

May E. Strawn to Robert Montgomery, lots 9, 10 and 11, in Calhoun & Edgmon's addition to Jacksonville, \$1.

May Strawn to Georgia R. Montgomery, southeast quarter southeast quarter 13-15-11, \$1.

IS SERIOUSLY ILL

William Clegg of Murrayville is reported in a very serious condition. His many friends are hoping for more favorable report in the near future.

ALUMNI ASSOCIATION HAD ANNUAL BANQUET

Routt College Alumni Association Had Banquet Thursday Night Following Business Session.

The Routt College Alumni association held its annual banquet and reunion last night at Liberty hall. Preceding the banquet a business session was held, when various matters of business were given attention.

The banquet was served by the Ladies' Aid of the Church of Our Saviour, about 300 being in attendance. The menu was an excellent one and the tables were attractively decorated with flowers in the college colors, purple and white.

Following the serving of a banquet came a program of toasts, Rev. Father Hobbs serving most acceptably as toastmaster. Miss Agnes Flood represented the alumni association and Miss Helen Sweeney the graduates, while Robert Walsh responded on behalf of the present students. Music had a prominent part in the program of the evening. Large orchestra furnishing a number of selections, and the company joining in the singing of college and patriotic songs.

After the program at Liberty hall adjournment was taken to the auditorium of Routt College, where several hours were spent in dancing.

The various committees in charge of the banquet and reunion are given below:

Banquet—Anna Harmon, Mary Gorman, Rose Wagner.

Dance—John Leninger, Joseph Dollar, Edward Mandeville.

Program—Teresa Lonergan, Margaret King, Rose Lonergan.

Miss Mary Sullivan was the general chairman for the evening, and William Rook as president of the society also had a prominent part in the arrangements.

IONA COUNCIL ELECTS OFFICERS

Number 97 Degree of Pochontas Names New Officials for Ensuing Term

Iona Council No. 97 Degree of Pochontas elected officers for the ensuing term at the regular meeting held Thursday evening. Candidates also were balloted on last night. The council is growing in a satisfactory way. The new officers are:

Prophetess—Mrs. Mary Red-Abontas—Mrs. Stella Mitchell—Dorothy Mills.

Shattam—Sherman Fanning, 18 Moons—Mrs. Mills.

FEDERATED CLUBS HEARD MISS LATHROP

Well Known Chicago Woman Described Interesting Address—Mrs. George Palmer, President of State Federation Also Here

The Morgan County Federation of Women's Clubs held its annual picnic and meeting yesterday noon at the Governor Joseph Duncan Memorial Home with a large number of women from all parts of the county present. Miss Julia Lathrop and Mrs. George Palmer, president of the State Federation of Women's Clubs, two of the most prominent women of Illinois were present and spoke. After a delightful basket dinner, Mrs. Frank Green, of Strawn's Crossing, president of the county federation, took the chair and introduced Mrs. Palmer, who spoke on the need for federation and the good work that the state federation of women's clubs is doing today. Mrs. Mary T. Carriel was then introduced and made a highly interesting talk on the history of Morgan county.

At three o'clock the local branch of the Illinois League of Women Voters went into a joint session with the county federation to hear Miss Lathrop's speech. Miss Julia Lathrop of Chicago, one of those listed on the roll of famous American women, was then introduced. Miss Lathrop opened her address with a brief statement as to the men who made our national constitution. "They were," she said, "not the sober conservatives that we sometimes think them, but were perhaps the most up to date and courageous set of men in their day." The constitution was a document full of doctrines that were regarded in Europe as heresy at that time. Man was given more rights than he had ever been known to possess before. "They fought and quarreled until Franklin, heathen that he was, suggested that the meeting be opened with prayer that they might arrive at some definite conclusion and work together."

Attitude Toward Poor
"The attitude toward the poor and unfortunate is changing. This change began with the passing of mothers' pension bills. The need for these bills was first noticed by juvenile court judges in Chicago who saw that children whose mothers were working away from home all day had no fair chance to grow up and become good citizens. The duty of the state is to see that every child has the opportunity to get an education and grow up in good health. Thousands have been rescued by the mother's pension law."
"America has the finest public school system in the world even though some do not approve of public school methods. We do not take enough interest in our schools. We should see that the teacher is paid enough and that the children have good equipment with which to work. The place to work for success in the schools is not in the primary grades but in the school boards. Every woman should take an interest in the personnel of the board and should see that good men and women are elected to it. We should pay the teacher a fair wage and have the right to demand of her a good normal school education. Only a small percentage of the teachers of the state are normal graduates and one hundred per cent should be."

Civil Service
"Unfortunately I have met with some good men in public office who say: 'I cannot get who I want under the civil service laws, if only I were not held back from selecting my help under these laws the government could be run more efficiently.' These men do not consider that without the merit system they would be even more hampered and would not be allowed to select their personnel. Men would get state offices for their political usefulness and not for their ability to fill the offices. It would make the filling of government offices a political tug of war."
"Some of our civil service examinations are stiff and serve no useful purpose in filling public offices with efficient men, but they need not be so. When I took charge of the Children's Bureau in Washington I was allowed to select my staff by the same sort of examination any employer would give an employee. I asked the candidate his experience, education, and for references from former employers. By this method I secured a thoroughly competent staff."

"Two branches of the govern-

ment that need particularly good men are the diplomatic and consular services. A hoiorish man in an office at home may be alright, but abroad he is representing the people of the United States and should be polished and efficient. The Jesuit school in Washington prepares men for the consular service. The state universities should have courses that would do this."

New Democracies
"From the Baltic to the Adriatic stretches a string of new countries with democratic governments, Latvia, Lithuania, Poland, Czechoslovakia, Austria and Jugoslavia, republics, most of them, but all with liberal constitutions. These countries called some of their best men from America and all other parts of the world to help frame these constitutions that embody all the newest and best in government, abolition of all privileges of birth and sex. These constitutions are more liberal than our own because this is a new day. The United States should use its influence to keep these states from engaging in war until they have had time to get on their feet. The women of the United States should take the interest in public affairs that the women of these new countries do, should be on the school boards and legislatures."

Resolutions Adopted
Following Miss Lathrop's excellent address the chairman called for the report of the resolutions committee. The following resolutions, read by Mrs. J. Marshall Miller, were approved by the meeting:

WHEREAS, The evils resulting from the illicit peddling of drugs is a growing menace to the youth of our nation reaching even to children of school age; and

WHEREAS, This addition undermines the health and the morals of the community; therefore,

BE IT RESOLVED, That the Morgan County Federation of Women's Clubs support in every way possible, the vigorous campaign advised by the General Federation of Women's Clubs, in co-operation with other agencies, to combat and wipe out this national evil.

WHEREAS, The General Federation of Women's Clubs holds to the view that all wars should cease, and that international friction should give way to international understanding, and endorses all practical measures and movements tending to that end, and for the hearing and adjudication by orderly judicial procedure, of international controversies which are susceptible of settlement through judicial tribunals, therefore,

BE IT RESOLVED, That the Morgan County Federation of Women's Clubs endorse the views of the General Federation and the working out of principles along the lines above proposed for the acceptance of nations.

WHEREAS, In total disregard to the abundance of sugar, the prices have been advanced by profiteers and sugar traders, and

BE IT RESOLVED, That the Morgan County Federation of Women's Clubs co-operate by pledging the support of Illinois women to the General Federation of Women's Clubs who have called upon their membership, throughout the Union, to use as little sugar as possible, to force prices back to a reasonable level.

WHEREAS, The Morgan County Federation of Clubs has a sincere interest in public health and all possible measures to conserve it, and has also shown unusual interest in Oak Lawn,

BE IT RESOLVED, That our interest in Oak Lawn continue in the hope that the efforts toward standardization may soon be complete and the Sanitarium become second to none.

BE IT RESOLVED, By the Morgan County Federation of Women's Clubs assembled, that we hereby express our thanks and appreciation to the Daughters of the American Revolution for their kindness in extending to us the use of their beautiful Governor Duncan Memorial Home for this meeting.

WHEREAS, The need for the enforcement of the Volstead Act and of our State Anti-Liquor laws is very apparent, and

WHEREAS, The Anti-Prohibition forces are carefully perfecting organizations, and raising money to be used for the repeal of our Prohibition laws, and the electing to office judicial, civil, and legislative, of men opposed to our Prohibition laws and the enforcement of them, and

WHEREAS, This is a question which is very vital to all women and the interests of our homes, therefore

BE IT RESOLVED, That we, the members of the Morgan County Federation of Women's Clubs assembled, do hereby call upon all club women and good citizens of Morgan county to be alert to the needs of the enforcement of our Prohibition and other laws, and to give encouragement and support to our officers in such enforcement and to work for the election of such men to office as will, after election, enforce the laws that are on our statute books, and will legislate only such laws as are for the betterment of our community and state.

EXHIBIT PICTURE OF PROPOSED MAUSOLEUM

Beautiful Structure to be Placed in Diamond Grove Cemetery Will Hold 600 Bodies—Company Seeks Subscribers to Crypts.

A picture of the new mausoleum which is to be erected in Diamond Grove cemetery has been placed in the Coover Drug Co. window. Representatives of the Valley Mausoleum Co., which is fathering the enterprise, are obtaining subscribers to the crypts. The mausoleum will be handsome building and will add much to the beauty of Diamond Grove cemetery. The center of the structure will contain a chapel, in which funerals may be held. There will be six hundred crypts or burial vaults. There are several special rooms containing five to ten crypts, which may be purchased by families. It is understood that some of these have already been sold. In the basement of the building will be seven temporary vaults, which will be owned by the city of Jacksonville. These will take the place of the small four-crypt vault now in the cemetery. The corridors and special rooms are to be finished in marble. There will be a furnace in the basement to furnish heat for the chapel.

As each crypt is filled, it is cemented solidly and the body is secure for all time. The name of the occupant and any inscription desired are carved on the outside of the crypt, as they are now carved on the tomb stones in the cemetery.

The purchase price of a crypt or special room is made sufficient not only to pay for the erection of the mausoleum, but also to provide a fund for perpetual maintenance of the crypt. The crypt owners will be formed into a corporation, each purchaser, being a stockholder, and this organization will maintain the mausoleum.

Reception for Mrs. E. N. Pires and Daughter

Mrs. E. N. Pires and daughter Miss Inez, were guests of honor at a reception given Thursday afternoon at the home of Mrs. John Vasconcellos on N. Main St. Mrs. Pires and daughter are soon to leave for the Hawaiian Islands for an extended visit with relatives. The affair was planned by the ladies of Northminister church, there being 50 present. Delicious refreshments were served. Mrs. Pires was presented with a gold thimble. Dr. Spooner making the presentation speech. Mrs. Pires responded with a few well chosen words of thanks and recited the following poem as an expression of her thoughts and a memory verse from her to the ladies.

As the marsh-hen secretly builds on the watery sod,
Behold I will build a nest on the greatness of God;
I will fly in the greatness of God as the marsh-hen flies
In the freedom that fills all the space 'twixt the marsh-hen and the skies.
By so many roots as the marsh grass sends in the sod
I will heartily lay me a hold on the greatness of God.
He loves his fellow man
Is serving God the best he can.

Announces Engagement

Miss Frances Walters was hostess at an afternoon party at her home southwest of the city Thursday at which the engagement of her sister to Mr. Carl Rapps of Pleasant Plains was announced.

The guests were apprised of the engagement when Katherine Shanahan came in with a basket of roses. In the roses were wedding rings to which envelopes were attached which contained the names of the contracting parties. The wedding will take place the latter part of June.

A two course luncheon was served by the hostess. The afternoon was passed with contests and music.

Among the guests were: Mrs. DeWitt Purvines, Misses Lucy McElvaney, Edith and Marguerite Fetter, Helen eWir, Phyllis Arnold, Mrs. Donald Primm, Miss Laura Hackard, Pleasant Plains, Misses Frances and Mable Walters, Gertie Decker, Eva Cockin, Elizabeth Martin, Ruby Young, Virgie Walker Hattie and Pearl Davis, Alleen and Vinita Switzer, Mrs. George Todd, Mrs. Julia Dunkle and son, Mrs. Carl Walters, Catherine Shanahan, Jacksonville, Gladys Waltman, Alexander.

The Walters home was tastefully decorated for the function, pink and orchid predominating.

Brooklyn Young People Picnic

About fifty young people of the Brooklyn church were treated to a picnic at Nichols Park yesterday as a reward for being on hand at church for ten Sundays out of thirteen during the past three months.

The hours from 2:30 to 4:30 were pleasantly spent with various games and contests under the direction of Superintendent Gray and J. A. Walters. At the conclusion of the play period ice cream cones were dealt to all present.

The winners of the games are as follows:

Peanut race, doll nursing set—Kathryn Randle.

Girls' race, set of child's dishes—Martha Curtis.

Boys' high jump, Baseball—Jess Carter.

Girls' high jump, cap pistol—Jeanette Belzer.

Three-legged race, steamboat whistle—Bert and Frank Bond.

Older girls' race, red racer—Jeanette Belzer.

Tug of war for boys and girls—Won by the girls.

Jumping contest, steamboat whistle—Janet Fetter.

Best looking girl, bottle of toilet water—Janet Fetter.

Young girls' high jump, a jumping rope—Martha Curtis.

SOFIA, June 14.—Former Premier Stamboulisky was captured today at Molavi, a village near Slavovt.

BRIEFS

(By The Associated Press)

Chicago, June 14.—Major Gen. George Bell, Jr., retired, commander of the 33rd division in the World War, and later commander of the Sixth Army Corps area, has been elected president of the Hill State bank in the northwest section of Chicago, effective tomorrow, it was announced today.

Chicago, June 14.—A drive by prohibition agents against Chicago saloonkeepers, now generally referred to as keepers of soft drink parlors, had its climax today when injunctions were issued in federal court against 52 of them. Similar action is being prepared in 200 other cases.

The 52 bills of criminal information were filed by C. M. Dickhaut, special assistant attorney general.

Peoria, June 14.—Scaling a building over roofs and dropping through a sky light, burglars last night obtained \$1,200 in cash and valuable papers from the offices of the Prudential Insurance Co., located within 100 feet of the police station.

Springfield, June 14.—Permission to cease operation and to dismantle its trolley line between Yorkville in Kendall county, and Morris in Grundy county, was asked of the state commerce commission today by the Fox and Illinois Union Railway company. The line, twenty miles long, according to the petition, is losing money, by continued operation.

New York, June 14.—The crew of four men and five Chinese passengers missing from the two-masted British schooner Mary Beatrice which was found drifting off Sandy Hook last night, were killed in a fight of pistols and axes, according to a series of reports by the survivors to immigration officials when the craft was brought into quarantine today.

Quebec, June 14.—Forest fire yesterday destroyed the prosperous villages of Glendyn and Silly. In addition the flames wiped out several saw mills, a score of scattered dwellings, numerous barns and great tracts of timber.

Presque Isle, Maine, June 14.—Rain today relieved the critical forest fire situation in Aroostock county and along the New Brunswick border.

Springfield, Ill. June 14.—Ben Newmark of Chicago, sentenced to six months in jail for refusing to testify in the Lake county grand jury investigation of jury tampering in connection with the trial of Governor Small, today filed a petition in the Supreme court for superseas and bail. Michael Boyle, who was given the same sentence for refusing to testify was refused a writ of superseas Tuesday.

DEATHS

Thornton
Miss Julia Thornton, 606 South Fayette, died Thursday afternoon at the Kennelbrew Sanitarium. She had resided here about two weeks, and came here from Pike county, Mo., where she was born Jan. 19, 1907.

Deceased is survived by her mother, Mrs. Ada W. Thornton; three brothers, Columbus of Alton, Lafayette of Pike county, Mo., and J. T. Thornton of this city; and two sisters, Mrs. Ada Farris of this city and Mrs. Sallie Fox of Pike county, Mo.

Funeral services will be held at 9 o'clock this morning from the Gillham Funeral Home, with interment in Jacksonville cemetery.

ARENZVILLE STREETS RECEIVE COAT OF OIL

Arenzville, June 14.—The streets of Arenzville were given the first coat of oil of the season on Tuesday morning. A very good job has been done and this no doubt will keep down the dust for some time.

Charles Nobis and family returned from Chicago Tuesday where they made a visit with relatives. They made the trip in a Dodge car, leaving Chicago at 4:30 a. m., and arriving here at about 5:30 p. m.

Charles Bridgeman of Ashland, is spending a few days in Arenzville. Theodore Hierman and wife motored to Jacksonville Wednesday.

Mrs. Fred Engelbach and daughter, Miss Charlotte and son, Fred, Jr., motored to Jacksonville Wednesday.

WOODSON.

Marion Smith returned to his home here Thursday night after a stay of about 10 days at Passavant hospital. The boy was painfully injured when he fell from a shed at his home here, several ribs being fractured.

Members of the Woman's club who attended the luncheon at Jacksonville Thursday were Mrs. Lelia Craig, Mrs. Luella Henry, Mrs. R. C. Megginson, Mrs. Earl Hembrough, Mrs. Fred Quimby and Mrs. Jack Steinmetz.

Mrs. Owings and Mrs. Albright and little daughter of Pearl are visiting at the home of Mrs. Owings' son, H. L. Owings and family.

Misses Alma and Pearl Evans of Murrayville spent the early part of the week with Miss Meda Megginson.

SURPRISE PARTY IS GIVEN AT MANCHESTER

Frank Cummings Given Pleasant Surprise on Birthday — Other Manchester Items of Interest.

Manchester, June 14.—Frank Cummings was given a very pleasant surprise Wednesday evening, the affair having been planned by his mother and sister, Miss Mary. The young man was taken completely by surprise but he made his guests welcome and they spent a very pleasant evening with games and music. Delicious refreshments were served during the evening.

Miss Rose Wells of St. Louis is visiting her mother, Mrs. Lucy Thomas.

David Lashmet, who has been suffering with blood poisoning in his hand the past week, went to Jacksonville Wednesday for medical treatment.

Mr. and Mrs. J. C. Andras, Jr., and Miss Mina Greenwalt were among those who attended the funeral of Mrs. Edward Rimes in Jacksonville Wednesday.

Jacksonville shoppers Wednesday were Misses Leta Howard and Ruth Blackburn and Mrs. William Arndt.

Mrs. Stanley Weis of Mattoon is visiting her father J. C. Andras, Sr.

C. S. Heaton is installing a new radio outfit.

Mrs. Mary Beebe of Wright's and daughter, Mrs. Perry Griffin of Kansas City, are visiting with friends here.

CHILDREN'S DAY AT BROOKLYN

Children's Day will be the feature at Brooklyn Church next Sunday night at 6:30 o'clock. If the weather is favorable the exercises will be held on the church lawn, otherwise in the church.

Mrs. G. W. Randle, wife of the pastor, is in charge of the program, which will be as follows: "Swing, Little Blossoms," Primary Class.

Welcome Address—Hazel Thompson.

Welcome Speech—Junior Dickinson. Flag Drill—Mrs. William Bond's class of boys.

"Magic Umbrella," Exercise by six primary girls.

Rose Drill and Song—Miss Catherine Randle's class.

Recitation—Richard Walters. Piano Solo—Frances Taylor.

"The Dream Fairy"—A group of primary children.

Recitation—Elizabeth Dickinson. "The Busy Bee"—Exercise by primary classes.

"Counting the Pennies"—By Miss Dorothy Randle's class.

"Goodbye, Dear Children's Day"—Recitation by Verne Barger.

"Sail Away, Little Boat"—Lullaby by Primary classes.

The latest type of American express passenger locomotive, with a train behind it for ballast, can run on a straight track at 112 miles an hour.

Such deformities as bow-legs and knock-knees are becoming much less frequent owing to the spread of knowledge of hygiene among parents.

Willard Batteries
Win Again!

Tommy Milton's great victory at the Indianapolis Speedway races against a field of the greatest automobile drivers in the country proved a victory not only for the car and the car but also for the equipment which carried car into first place.

The winning car was equipped with battery ignition, a WILLARD BATTERY. Machines driven by Hartz, Jimmy Murphy and Earl Cooper who finished second, third and fourth, respectively, were also equipped with WILLARDS.

Last year there was but one car in the race Willard equipped, that of Jimmy Murphy, the winner. This year of the ten who finished within the money, seven of Willard Batteries. This was indeed a great victory for battery.

The Indianapolis classic is the most gruelling test that has been imagined not only for the drivers and their cars but for the storage battery. In the constant bumping and banging of the car in the 500 miles of the race the storage battery must continue to function, giving its eight to ten revolutions of the powerful engines. The winning car was driven at an engine speed of 5,600 revolutions a minute, requiring the WILLARD BATTERY supply 44,800 sparks per minute. Thus the battery winning car was required to furnish approximately a half million sparks, a truly remarkable performance considering that no generator is carrying a racing car to recharge the battery.

STATE ENCAMPMENT OF SPANISH WAR VETS OPENED AUSPICIOUSLY

Large Number Attended the Opening Session When Mayor Crabtree Gave Guests the Freedom of the City—Day Was Busy One for All—Rain Marred Evening Program

Nothing but praise is heard from the visitors for the quality of entertainment furnished by Col. O. C. Smith, the members of William H. Rule Camp No. 96 and the people of Jacksonville, all declaring that this is the most enjoyable encampment since the organization of the vets. They are also very enthusiastic in praise of the accommodations furnished for their comfort by the city people while here, mentioning especially the efficient and willing auto service for both the veterans and the Auxiliary who at all times have plenty of cars donated and at their demand for every kind of service.

Several noted people in Spanish War circles are on the ground, among whom are Mr. and Mrs. J. C. Dixon of Belleville. Mr. Dixon, who was formerly a senator in the state of California, is a delegate from Nelson A. Miles Camp at East St. Louis.

Mr. Dixon resides on the Belleville end of the Rock Road and his home is distinguished by the presence of a large American flag which floats there every day. Mr. Dixon served in the regular army during the Spanish-American war and saw six years of active service in the Philippines and his record shows participation in many of the heaviest actions in that rebellion. He is an active member of the East St. Louis camp and is credited with bringing in the largest number of members in a recent drive.

His wife, Mrs. Ethel Dixon who is past president of Nelson A. Miles Auxiliary is now candidate for department chaplain of that organization and is an unusually cultivated and accomplished lady who will no doubt fulfill all expectations if elected and appearances are that she will make an unusually strong race.

Mrs. Margaret Henry, department president of the Auxiliary has given most efficient service during the last year and has spent most of her time touring the state endeavoring to strengthen the order. Automatically on her retirement at this encampment as state president she will be placed on the board of the Soldiers and Sailors Orphans Home, where her worth will very soon become apparent.

The regular session opened yesterday morning in the chapel at the School for the Deaf at the same time that the Auxiliary opened in an adjoining building, the two organizations joining later in a joint session. The encampment was called to order by Col. O. C. Smith of the local camp who in a short but very brilliant talk introduced Mayor Crabtree who offered the freedom of the city in a speech which equalled and perhaps excelled his usual able efforts.

Department Commander J. F. Holschlag was then introduced who after a very able address called on all of the Past Department Commanders all of which delivered very able talks. The morning was taken up in routine business of the order.

In the afternoon the program as published was carried out with the exception of the address by Commander in Chief Antonio P. Entenza who did not arrive from San Francisco in time for the meeting. Past Commander in Chief Oscar E. Carlstrom delivered the principal address of the day and words fail to describe the power and forcefulness of his address. All who heard him were carried off their feet by his oratory and his hearers were far from satisfied when he finished although he held his crowd spellbound for an unusually long period.

The orchestra from the K. of C. was then introduced who after a very able address called on all of the Past Department Commanders all of which delivered very able talks. The morning was taken up in routine business of the order.

In the afternoon the program as published was carried out with the exception of the address by Commander in Chief Antonio P. Entenza who did not arrive from San Francisco in time for the meeting. Past Commander in Chief Oscar E. Carlstrom delivered the principal address of the day and words fail to describe the power and forcefulness of his address. All who heard him were carried off their feet by his oratory and his hearers were far from satisfied when he finished although he held his crowd spellbound for an unusually long period.

P. Orphans Home also came in for fully their share of applause for the selections rendered during the afternoon program and the applause was well earned for these children showed unusual training in orchestral work.

All during the day the guests were entertained with concerts by the Soldiers and Sailors Orphans Home band and also by the field band of bugles and drums which came Tuesday night with the Chicago contingency.

The rainy evening spoiled part of the good times planned for the visitors but they are not discouraged at the prospects hoping for a clear day today when activities will be renewed with increased vigor.

About 6 o'clock yesterday evening in spite of the high wind that prevailed Balloonist Wiswell made another successful ascension floating east of the city before he cut his parachute loose. His feat of daring the air under the circumstances caused many of the spectators to hold their breath in fear of his safety.

The regular business session will be held this morning and all will join in the Jubilee Parade this afternoon, weather permitting. Again this evening there will be a balloon ascension at the school and the fireworks and circus acts will be staged. During the evening the Order of Serpents or "Snax" will stage their weird parade in the downtown section and a class will be initiated afterward if the Surgeon decides after examination that the candidates' hearts are strong enough to withstand the severe test.

HIGH WIND MAKES BALLOONING UNSAFE

Griswold, the balloonist who is making the ascensions at the Spanish War Vets' encampment this week, took a long chance yesterday evening when he went up in the gale which visited the city with the heavy cloud. The big bag swayed in the wind, and the helpers had all they could do to hold it down until the balloonist was ready to start. As the balloon swung into the air, its passenger almost landed in a tree. However, when he had reached a height of three or four hundred feet, the strong current of air subsided and he was able to cut loose with his parachute. The balloon continued to rise going above the clouds. The passenger landed near the packing plant at the east limit of the city, while the gas bag went about a mile farther east.

PTHYIAN ORCHESTRA WILL BE IN PARADE

Uniforms for the Dokay drill team have arrived, and the members will appear in the brilliant costumes for the first time in the jubilee parade this afternoon. The D. O. K. K. and Knights of Pythias division will be led by a uniformed Pythian drum corps from Roodhouse.

The orchestra from the Pythian Orphans Home will remain for the parade, and a float will be prepared for the members, so that they will furnish music enroute. This organization was planning to return home this morning, but the local Pythians decided that it would form an attractive feature in the line of march.

All Pythians are requested to assemble at Castle Hall at 12:30 o'clock today and receive their white sashes to wear in the parade. They will then march in a body to Fayette street to form in line.

CLOUDBURST HITS WICHITA, KANSAS

(By The Associated Press) WICHITA, Kans., June 14.—Driven before a 54 mile wind, a terrific rain of cloudburst proportions swept Wichita late today, threatening to send neighboring streams out of their banks again for a second time in a week. In an hour and a half more than three inches of rain fell. Hall accompanied the downpour.

Colonel O. C. Smith is Candidate for Department Commander

The friends of Col. O. C. Smith all over the state have opened a campaign in his behalf looking toward his election as Department Commander and a great many who claim to be in the know, predict that he will be elected by an overwhelming majority. His friends in this city are very glad to hear of his candidacy as he has worked un-

dering to get the Encampment here and to make it a success after its arrival and all who know him will rejoice with him in case he succeeds in being elected. There are several candidates mentioned but as far as could be learned the fight will probably be between Col. Smith and Hoyt of Joliet. The election will occur on Saturday morning.

Present Department Commander

JOHN F. HOLSCHLAG

ISSUES COMPLETE HISTORY OF WAR

The Spanish American War Commission which was appointed by the Governor of Illinois has issued a pamphlet containing a complete history of the events of the Spanish American War, the pamphlet being prepared by Evanston Camp No. 57 of the U. S. W. V.

Ten thousand of these pamphlets have been printed and copies will eventually be placed in every church, school and numerous copies will be furnished to each U. S. W. V. camp in the state for distribution in commemoration of the twenty-fifth anniversary of that war.

Candidate for Department Chaplain of the Auxiliary

MRS. ETHEL DIXON.

U. S. W. V. VETERAN IS WELL DECORATED

George Searle, 2nd Lieutenant, retired, of Rockford, Ill., and a delegate to the U. S. W. V. convention in this city, is probably the best decorated man in Illinois today. He wears thirteen marksmanship medals, campaign medals of the Spanish-American war, the Porto Rican occupation, the American punitive expedition into Mexico, and last but not least the victory medal of the World War. Besides these medals the lieutenant wears the ceremonial medal of the Sons of the American Revolution, and the insignias of the American Legion and V. F. W.

On Mr. Searle's sleeves are nine white stripes and one red one, showing that he has had nine enlistments in the infantry and one in the coast artillery. He was in the army for fourteen consecutive years before the Spanish War, and served in the above mentioned campaigns after that time. Counting all his enlistments he has spent a little over thirty years in the army. During the major portion of this time he was a non-commissioned officer, but retired as 2nd Lieutenant in 1920 and now makes his home in Rockford. Some of his army years he was in Illinois volunteer regiments and some in the regular army. His commission is in the Illinois National Guard.

POSTPONE DISPLAY AT FAIR GROUNDS

The exhibition of the All Circus Acts and fireworks display, which was to have been held at the fair grounds last night, was postponed on account of bad weather. However, a number of people motored to the grounds with the expectation of witnessing the performance.

Al Minter, the manager of the enterprise, stated last night that the show will be held tonight, and will also be given Saturday night. All of the fireworks pieces cannot be shown in one evening, and it is necessary to make two nights of it.

WHISKERS TO MEET IN CHICAGO

Chicago, June 14.—Hans Langsets, 77 year old North Dakotan whose beard measures 17 feet in length will preside as "supreme whiskerino" at the annual convention of the International Association of Specialty Salesmen here July 11-14. Langsets was picked as the winner after a nationwide search for long beards.

Delegate from the East St. Louis Camp

J. C. DIXON

Department President of the Auxiliary

MRS. MARGARET H. HENRY

FLAG ETIQUETTE

To help dispel many of the uncertainties which constantly arise on patriotic holidays in regard to this question we are giving the rules herewith in brief:

The man who is in uniform salutes in military style with the flag goes by, but when in civies the best form is to take off the hat and hold it against the left shoulder. In draping the colors the simplest rule to remember is that the Stars and Stripes always claim the place of honor, the forefront, the right or the highest elevation. Another rule is that the colors should never be allowed to touch the ground.

When draping the flag in a horizontal position the starry field should be at the upper left. When the flag is hung in a vertical position the starry field should be in the upper right.

Children's Day program, Riggston M. E. church Sunday evening, 7:30 o'clock.

PRESIDENT GENERAL OF AUXILIARY HERE

Lucile E. Dragon of St. Louis, president general of the National Auxiliary, United Spanish War Veterans, arrived in the city last night to attend the sessions of the Illinois Auxiliary. She expects to leave this evening to visit auxiliaries in other states.

PLANS ARE COMPLETED FOR BIG PATRIOTIC JUBILEE CELEBRATION

Local Legionaires Under the Direction of Commander Kahl, Are all Set for the Big Event—Many Noted Men Present—Big Parade Will Move Promptly at 1 o'Clock

Charles N. Kahl, commander of the Local American Legion Post, and general chairman of the Jubilee Committee has completed every detail for making today the biggest day Jacksonville or any other city in central Illinois has ever known.

The city has assumed a military aspect. Flags adorn the buildings and line of march. Practically every building of size around the square and business district has made a special effort to make their places of business attractive to the eye. West State street and South Main street have been decorated from one end to the other. At the entrance of the State Hospital there is a large welcome sign and this sign is for the public who come today to pay their homage and respect to the men who are to occupy the newly completed cottages.

The reviewing stand and speakers stand have been completed and decorated in keeping with the occasion. Visiting ex-service men will have no trouble in locating the immense dining hall where the dinner will be served for all who come.

The transportation committee in charge of Harry Herring are prepared to meet all trains and have ready transportation for all service men to any place which they might wish to go. The reception committee includes every local ex-service man they will be easily identified by a ribbon which they will wear bearing the words "ASK ME."

It will be Jacksonville's first opportunity to witness a huge parade of military men in uniform. Men prominent in national and state affairs are coming from far and wide to help make the day one of importance. Commander Kahl has been fortunate in securing at this late date no other than Major Gen. Milton J. Foreman (Buddie Foreman) of Chicago, who will deliver an address. Legionnaires will remember that Gen. Foreman is one of the original organizers of the American Legion in Paris. In recognition of his efforts in legion affairs he was unanimously made past National Commander of the American Legion at the Kansas City convention. General Foreman is one of the leading lawyers of the Middle West and is reputed to be one of the most eloquent speakers of the day. He has just returned from a trip to the Ruhr and will undoubtedly have a message that will prove of interest to every listener.

Another prominent legionnaire will be William R. McCauley past commander of the Department of Illinois, American Legion. His efforts toward securing the buildings to be dedicated make him an outstanding figure in the dedication exercises.

State Commander Charles W. Schick known to every ex-service man as "Daddy Schick" will be present with his entire staff.

Commander Schick and staff will arrive in the city this morning on the 6:15 Wabash and will establish headquarters at the Elks Club Rooms.

In addition to the Legion Men of State and National prominence there will also be present Governor Len Small, and Judge C. H. Jenkins Director of the Department of Public Welfare. These two men have had a big part in making the home for disabled men a reality.

Col. C. R. Miller, Director of Public Works and Building who has had charge of the actual construction of the cottages will be among those present. Col. Miller will probably be taken care of by the hard road enthusiasts of the city, the entire hard road building program of the state rests in his hands.

Senator Earl B. Searcy accompanied by the representatives Moore, Rogers and Barbour will arrive by automobile.

The list of notable men to be here today is too lengthy to name but practically the entire staff of State and Legion officials will be here to honor those men for whom the day has been planned.

COLUMBUS HAIRGROVE HONORED AT MEETING

A pleasant feature of the occasion at the School for the Deaf grounds yesterday afternoon was the honor paid the Veterans of the Grand Army of the Republic, who were assigned seats of honor near the speakers stand. The venerable Columbus Hairgrove, 96 years old, was brought to the grounds by his son, Dr. J. N. Hairgrove, and being unable to leave the car, it was brought right alongside the speakers stand and he was introduced to the audience by Col. Smith and great honor was paid him.

WILL CASE GOES TO JURY

The evidence and argument were concluded in the McLeod will case Thursday afternoon and Judge Burton gave his instructions to the jury about 4:30 o'clock. Up until a late hour last night the jury had failed to reach an agreement.

HERE FROM INDIANA

William Goltra has arrived in the city from Crawfordsville, Ind. for a visit as the guest of Mrs. C. A. Catlin and sister, Miss Goltra.

C. N. BRANER DIES AS RESULT OF INJURIES

Prominent Farmer of Litterberry Passes Away at Hospital Here—Blow in Abdomen Caused Paralysis of Bowel

Coroner C. A. Rose held an inquest yesterday afternoon at the Williamson Funeral parlors over the remains of Charles Noah Braner, who died at 11:55 o'clock yesterday morning at Our Saviour's hospital. Mr. Braner, who was a well known citizen of the Litterberry neighborhood, died as the result of a blow in the abdomen received from a flying board thrown from a buzz saw.

The accident occurred, according to the testimony of witnesses, on a farm eight and a half miles north of Litterberry at 5:30 o'clock on the afternoon of June 8. Mr. Braner was finishing the sawing of a log. His father, Newton Braner, was piling the boards. As he picked up one of the pieces of lumber, one end of it caught in the saw, and the other flew violently from his grasp. The loose end of the board struck Charles Braner on the right side of the abdomen just above the groin, knocking him to the ground. The injured man remained conscious and requested his father and G. H. Gish, who was helping at the mill, to take him to the hospital. He was rushed to Our Saviour's hospital here, where Dr. F. A. Norris made an examination of his injuries.

The blow from the board had torn the intestine and ruptured the abdominal wall. An operation was performed, which, however, failed to prevent paralysis of the bowels and gangrene, which resulted in death yesterday. The coroner's jury took the above facts as the basis of a verdict that Mr. Braner came to his death from paralysis of the bowels, the result of an injury received in operating a saw mill. The jury consisted of H. C. Busby, foreman, William Batz, John Brown, Alex Howard, Frank Govia, and Louis Leurig, clerk. Charles Noah Braner was born June 30, 1887, in the Brauer community near Arcadia, a son of Mr. and Mrs. Newton Braner. In 1906 he was married to Miss Ella Bridgeman, who survives him, together with four sons, Clyde, James, Loran and Harold. He is also survived by his parents, three brothers, Merle and George of Litterberry, and Lee of Jacksonville, and one sister, Mrs. George Balsley of Beardstown.

The remains were removed to the Williamson undertaking parlors and today will be taken to the home of O. N. Petefish in Litterberry.

The funeral services will be held at 2:30 o'clock Saturday afternoon at the Baptist church in Litterberry. Burial will be made in Arcadia cemetery.

LOCAL WOMAN IS STUDYING IN EUROPE

Miss Edna Sheppard, who is to study under famous music masters in Europe for several months has arrived safely in Hamburg, according to a message received by her parents Mr. and Mrs. J. S. Sheppard of Sandusky street, recently.

Miss Sheppard is studying to be a grand opera coach and will study under musicians in Germany, France and Italy. She may also visit Poland before returning home in the fall.

HERE FROM SPRINGFIELD

Edward N. Kliner, who is spending much of his time at the home of his daughter in Springfield, is a visitor in Jacksonville, having come at this time to attend the dedication of the soldiers' memorial.

Benjamin Chapin in

"Abraham Lincoln," Westminster church Sunday night, "My First Jury."

MEN ESCAPE INJURY AS TRAIN HITS AUTO

Fast Freight on Wabash Wrecks Machine at Ashland Avenue Crossing—Co-oped Occupants Not Seriously Hurt, Though Car is Hurled Several Feet.

A serious smash, in which two colored men of this city narrowly escaped severe injury, occurred about 5:45 o'clock yesterday afternoon, when a westbound fast freight on the Wabash struck the auto in which the men were riding. The accident occurred at the Ashland avenue crossing. Walter Thomas, the driver of the car, was crossing the tracks headed south. The train was coming at high speed from the east. Thomas did not see the train in time to stop the auto, and got excited and killed his engine.

The engine of the train struck the machine head on, carried it about twenty feet down the track and hurled it to one side. The car landed on its side and in such a way that the two men were thrown clear of the wreckage. Neither was seriously hurt.

The Ford car, however, was a complete wreck. It was demolished almost beyond recognition and is entirely beyond repair. Thomas had owned the machine about two months. The name of his companion in the car was not learned.

WILL AID C. OF C. TO PLAN PROGRAM

J. H. McLaughlin, field secretary for the American City Bureau, arrived in the city yesterday, to aid the local Chamber of Commerce in planning a new program of work for the coming year and to audit the books of the organization. He is to remain here a week, and will manage the recruiting campaign for new members, which will start soon.

Two meetings will be held next week in the effort to plan a new program of work. Half the membership of the Chamber of Commerce will be called together Monday evening at 7:45 o'clock, and the other half will meet Tuesday evening. The program of work adopted two years ago at the beginning of the organization, has been worked out, and it is necessary to plan new work for the organization.

AUTOS NEEDED FOR VISITING VETS

Although so many automobiles have been made available for the use of visiting veterans, the committee is in need of still other cars. Any car owner who is willing to give assistance of this kind is asked to notify Harry Herring at the Lukeman Motor Co. garage.

THRILL OF A LIFETIME

ENGLAND WORRIED
OVER IMMIGRATION
TO UNITED STATESLondon, (AP)—Great Britain
is worried over the increasing
number of skilled artisans and
domestic servants who want to
take up their abodes in the
United States. The stream of
emigrants which has flocked from
these shores to America has caused
a special committee of the
government to inquire into the
causes.Only the exhaustion of the an-
nual quota of British subjects
eligible to enter the United
States under the percentage law
has prevented tens of thousands
of others from pitching their
tents under the Stars and Stripes.
With the exception of France
and Germany, practically every
nation is now barred from send-
ing emigrants to America until
next July, when the new annual
quota begins. Already the
steamer bookings from the Uni-
ted Kingdom to America for July,
August and September are full.
"America may still be the melt-
ing pot," remarks the Westmin-
ster Gazette editorially, "but its
legislators are keeping a stricter
eye upon the metals which go
into the alloy than ever before.
The British race is giving a cer-
tain measure of flattery in an
evident disposition to welcome
more of its members, but that is
scarcely surprising when we dis-
cover that the people whom we
send are in large measure domes-
tic servants and skilled workers,
neither of whom we can afford
to lose."Women's large size ging-
ham dresses, sale price
\$1.98 to \$3.98.
EMPORIUMGive it the blowtorch
test. Play a hot, strong
flame directly on it.
You will see that it is
fireproof. It cannot
burn because it is made
from rock. Neither
can it warp, buckle or
shrink. It is a differ-
ent wallboard.SHEET-

MODERN FINANCINGChicago, (AP)—Six thousand
real estate men from 475 cities
are making plans to cruise, motor
or go by special train to Clevel-
and for the sixteenth annual
convention of the National As-
sociation of Real Estate Boards
June 27-30. Governmental, leg-
islative, financial, architectural
and other questions of impor-
tance in real estate development,
and especially fullest utilization
of modern financing possibilities
to meet the present business ac-
celeration in real estate, are to
be discussed.What is known as the "Indi-
ana plan" of checking extrava-
gance and preventing possible
graft in official expenditures
will be explained by Judge Wil-
liam A. Hough, chairman of the
Indiana state board of tax com-
missioners, which has been given
power to review all tax levies
and bond issues in Indiana upon
complaint of ten taxpayers.A proposal for a national land
policy, covering utilization of
lands in every state according to
sound economic principles will
be outlined by Dr. Richard T.
Ely, director of the bureau of
economic research of the Univer-
sity of Wisconsin.The Pennsylvania law author-
izing building and loan associa-
tions to lend on second mortgages
will be discussed by Samuel A.
Stern, of Philadelphia.Brig. Gen. H. M. Lord, direc-
tor of the federal budget, will
speak on how the federal govern-
ment handles its finances and
real estate.The Chicago real estate board
and boards from other nearby
cities will go to Cleveland by
boat, and the boat will be used
as a hotel during the convention.
The Minneapolis and the Buffalo
real estate boards also will go
by water.KAPPA SIGMA PI
TO MEET IN WYAN-
DOTTE CAVERNCincinnati, (AP)—Wyandotte
Cave, in Indiana, is the novel
place chosen for the annual meet-
ing of the Kappa Sigma Pi. The
National Council and camp will
be held here August 20 to 31,
the delegates, composed of church
leaders and boys and girls of
high school age from all sec-
tions of the country, meeting in
the chambers of the cave for
their legislative sessions, their
initiations and the sessions of
the various committees.The Kappa Sigma Pi has chap-
ters in various protestant church-
es in 40 states and in seven for-
eign lands. The Wyandotte cave
is 35 miles west of New Albany,
Ind., on the Blue River, and has
23 miles of cavern. It is said to
possess the highest underground
mountain and the largest stalag-
mite in the world.

LATEST NEWS OF THE SPORTING WORLD

INDEES PREPARE FOR TWO HARD BATTLES

Meet Plano Indians Saturday and Sunday—Smith Signs New Pitcher for Local Team.

The Indies took a stiff workout yesterday afternoon in preparation for the two games with the Plano Indians on Saturday and Sunday.

The Indian team is a traveling organization and is regarded as one of the strongest on the road, boasting of several big league players.

Manager Smith yesterday signed a pitcher named French who was with Tulsa in the Western League last season. French worked out with the Indies yesterday and looked to have some good stuff. He will start Saturday's game.

HEILMANN'S WORK FEATURES GAME

BOSTON, June 14.—Hollaway was effective against Boston today enabling Detroit to win, 4 to 1. Heilmann's hitting and fielding were sensational. His home over left field fence in the seventh was his fifth of the season. His single in the second scored Cobb and in the fifth Heilmann led off with a single and eventually scored. He also made remarkable running back catches of drives from the bats of McMillan and Harris.

Score: Detroit . . . 010 020 100—4 6 0
Boston . . . 000 000 001—1 6 2

Hollaway and Bassler; Piercy, Fullerton and Walters.

BRITISH FEAR CUP IS COMING BACK

Three American Players Have Chance to Win—Hagan Again Looming as Dangerous Man to British Plans.

TROON, June 14.—Britons are fearful tonight over the possibility that their long lost open golf championship trophy is going to start back to America tomorrow for the third successive season. Walter Hagan, who carried it over the Atlantic last year to the United States, is threatening in a most impressive way to do it again. Tonight with half the struggle over, he stands just one stroke behind two British players, who are tied for somewhat ragged round in the morning.

Of the leaders, C. A. Whitcomb and Arthur Havers each covered the two rounds in 146 strokes, while Hagan took 147. If Hagan falls there are two others who still have a chance to take the cup to America. One is the Australian champion, Joe Kirkwood, who resides in the United States and the other is Johnny Farrell, of New York, who, however, is considered something of an outsider. Kirkwood scored 151 and Farrell 152 over the 36 holes. Between Kirkwood and Hagan only two names show on the record of today's playing—Gordon Lockhart, with 149 and Robert Scott with 150.

If past performances are an indication neither of the two leaders will be easy to shake off. Whitcomb was the second Britisher to finish in the open championship in 1922, his score of 292 being just three strokes above Hagan's winning count. Hagan was the first British professional near the head of the list the previous year when Jock Hutchison won at St. Andrews.

This morning Whitcomb steered his shots so well that he established a new course record of 70.

Meanwhile Hagan slipped slightly below the standard expected of him and was lucky to get 76 in the forenoon. When the afternoon round began he was six behind the young record smasher but he gained all but one back. In doing so, Hagan went down the farways like a streak, sending his approaches straight toward the flag and showing his puts against the back of the line with such skill that he equalled the course record of 71 that had stood until only a few hours before.

If Hagan was lucky in the forenoon at times he was a little unlucky in the afternoon.

McDonald Smith of California, still has a chance to satisfy his craving for the cup, but it is a woefully weak one. He got an ugly 80 on the morning card and he played in flawless fashion after lunch he could not do better than 73.

The other Americans who came thru the qualifying rounds, Leo Diegel and George Aulbach, played rather poorly in the morning and were not able to get low numbers on their cards; nor did they better their scores in the afternoon counting 160 and 174 respectively, for the day and seem to be definitely out of it.

Thousands tramped the turf of Troon to watch the stars of golf play today. For the most part a bright Sun beamed upon them and the northwest breeze was after eleven o'clock not so cold as to be uncomfortable.

The remaining thirty six holes will be played tomorrow.

CHEVROLET OWNERS!

Please meet on Sandusky street at 12:30 o'clock Friday to participate in big jubilee parade.

CARDINALS USE 18 PLAYERS BUT LOSE

Box to Braves in Second Game of Series 6 to 4—Hornsbly and Mann Hit Home Runs

ST. LOUIS, Mo., June 14.—Manager Rickey used 18 players in an effort to defeat Boston today, but the Braves won the second game of the series from the Cardinals, 6 to 4. Seven pitchers performed, hits off of the visiting moundmen being more scattered than off the locals. Hornsbly and Mann hit home runs. A benefit program for the local tuberculosis society delayed the start of the contest for more than an hour.

WHITE SOX TAKE FIRST OF SERIES

Erratic Fielding and Loose Pitching Help Winners—Sox Stal Six Bases

WASHINGTON, June 14.—Erratic fielding and loose pitching helped Chicago to take the first game of the series with Washington here today, 7 to 3. The White Sox were credited with six stolen bases, Mostil accounting for three. Russell, who relieved Zachary, allowed six bases on balls, while Leverette who started for the Sox gave five passes in two innings.

FOOTBALL FOR HOT WEATHER

Now that the football season is over, London boys have taken to a cooler sport. But it's just as rough. It's an adoption of football in the water.

College Athletes Gather For National Meet

CHICAGO, June 14.—First rank collegiate performers from every quarter of America will assemble Friday at Stagg Field, University of Chicago, for the country's intercollegiate championship in track and field in the meet of the National Collegiate Athletic association composed of 200 schools and colleges. The two day's competition is expected to bring to the fore the contenders for places on the American Olympic team for 1924. More than 480 individual entries representing 62 institutions are on the program. Record holders from virtually every collegiate conference in the United States will meet in this year's games, the third annual championships of the N. C. A. A.

The fifteen scheduled events, six runs, two hurdle and seven field contests will bring together the largest array of premier college athletes ever gathered on a field.

United States Senator Rawson, of Iowa, will be referee, and Charles D. Dieges, of New York, will act as chief timer. The entries this year are the largest in the three year's history of the meet.

The 880 yard run will bring together three of the fleetest half milers in the country, each the winner of the event in his own conference this year. Valley, of Wisconsin, who took the big ten event in 1:55; Allen Helfferich, Penn State star and winner of the intercollegiate meet half mile and Gardner, Nebraska who was first in the Missouri Valley meet will take off together.

Winners from the same three competitive groups will line up in the two mile run. Booth, of Johns Hopkins, by virtue of his win at Franklin Field in 9:35 8-10 has the best time of the trio.

A new world record in the hammer throw is a possibility suggested by the arrival from Maine of Fred Tottel, Bowdoin luminary who achieved fame at the Philadelphia meet by hurling the lead 181 feet, 6 1/2 inches against a standing world collegiate record of only 161 feet, 4 inches. The world mark of 189 feet, 4 1/2 inches by Pat Ryan, in 1913, is the announced aim of the man from Maine.

Charles Brookins, Iowa's representative in the hurdles holds the world's record for that event.

Three-five rivals will contest the barriers with the brilliant Hawkeye.

Minnesota has the largest entry in the field, with 36. Iowa has only one less, Ohio 30; Wisconsin 27; Nebraska 2; Penn State 20 and Sanford 16.

The Illinois team will be short the telling services of Milton Angier who established a new American record in the javelin throw at the Drake relays in April. His mark of 203 feet, 9 1/2 inches was untouched thru the season. Angier went west on his vacation job before the Illinois Stars gathered for their trip to Chicago. Coach Harry Gill has other sterling performers, however, and expects to land the Urbana team well up on at least ahead of the Wolverines, he declares. Ayers, Evans, Sweet and Fitch are looked to to put the team ahead on the runs.

California, thrice winner of the eastern collegiate in the last three years was victor in the national last year with 28 1/2 points. The formidable team from the west was kept out of the games this year by the Pacific Coast conference championships, scheduled for Saturday.

Work shoes \$1.98, dress shoes \$4.85. Hopper's.

FOUR HOME RUNS HELPS CUBS TO WIN

Farrell Makes Two of Them, One With Bases Loaded—Statz and Friberg Also Hit for Circuit

CHICAGO, June 14.—Four home runs by Chicago enabled them to defeat Brooklyn today, 9 to 6. O'Farrell led the attack for the locals with two homers, a double and a single in five times up. His first homer came in the first inning with the bases filled and Dazzy Vance on the mound. No one was on when he cracked his second four bagger. Statz busted a homer off Henry in the second inning and Friberg also drove the ball into the bleachers in the same inning with a man on. Aldridge pitched great ball holding the visitors to three hits until the ninth when seven hits and a walk gave Brooklyn six runs and forced his retirement in favor of Kauffmann who checked the rally.

Ace Elliott, the Cubs' new first baseman purchased from the Wichita Falls club of the Texas League played today and made an impressive showing in his fielding.

DEMPSEY KNOCKS OUT JACK BURKE

GREAT FALLS, Mont., June 14.—With a terrific left hook to the chin, Jack Dempsey today knocked out Jack Burke, a Pittsburgh heavyweight, making the heavyweight champion's second knockout victim in the two days since he resumed boxing after a week's layoff. After boxing two spirited rounds with George Godfrey, a 225 pound negro, who nailed the champion half a dozen times with solid right hand smashes, Burke parted the ropes to face Dempsey's bombardment. In the first round Burke was sent reeling with a left hook and in an exciting exchange on the ropes, Dempsey missed his sparring mate with a right hand punch, his gloved hand crossing against a plank support just outside the ropes. Coming out for the second round, Dempsey smashed Burke with a hook on the chin and the Pittsburgher fell into the ropes and flat on his back.

The champion picked him up and attempted to clear his dizzy brain by shaking him but Burke was completely out.

Besides a round of shadow-boxing and a round of slugging the 250 pound leather filled bag, Dempsey boxed six rounds, finishing up with Harry Drake, the British heavyweight, who was knocked out on his feet yesterday.

BROWNS WIN FIRST FROM THE YANKEES

Pruett Holds League Champs in Check—Patt Weakens in the Eighth When Browns Score All Their Runs

NEW YORK, June 14.—St. Louis today won its first game of the season from the New York Yankees, 3 to 1. Pruet was wild but held the American League champions in check while Hoyt weakened in the eighth when the Browns scored all their runs. Collins' home run tied the score and Gerbers' singled, coupled with an error by Hoffmann brought over the other two runs. A pass to Babe Ruth with the bases full in the third gave the Yankees their only run.

How do you 'Plant' Your Money

Do you plant is with such care that you are sure to earn a bountiful harvest? YOU SHOULD. Savings are like seed. If planted in a Savings Account at compound interest they grow and multiply.

With money, as with life, "As ye sow, so shall ye reap." That is a good fact to remember NOW when thrift is more important than ever before.

Open a Savings Account in This Bank Today. Plant Your Money Where it Will Grow.

The Bank That Service Built

- FREE! - 50c WORTH OF JOHNSON'S BLACK - LAC

With Johnson's Black-Lac you can easily and quickly make your worn, gray, dusty top and side curtains look like new. No experience required—all you need is a brush and an hour's time. It gives perfect satisfaction on any kind of a top—leather, imitation leather or mohair. One coat imparts a rich, black surface like new.

The Perfect Top Dressing

Johnson's Black-Lac is easy to apply—you can do it yourself—in an hour. It dries in fifteen minutes and will not rub off on the hands or clothing. Is permanent, water-proof and inexpensive. Acts as a leather preservative, making all kinds of top material soft and flexible.

How To Mend Your Top

Before applying Johnson's Black-Lac, mend any tears and cracked places with Johnson's Hastee Patch. No time, labor or heat required. A patch can be applied in three minutes. Johnson's Hastee Patch is also the ideal repair for tubes, casings and rubber goods of all kinds.

FREE OFFER

The coupon below and 75c is good for a \$1.25 can (pint) of Johnson's Black-Lac. Or, the coupon will be accepted as a 50c credit on a Quart or Gallon of Johnson's Black-Lac by dealers listed below.

This Coupon Worth 50c

GIFT CAMPAIGN CLOSES AT ASHLAND

Many Gifts Given Away by Merchants—Other Ashland News.

Ashland, June 15—The Ashland merchants Free Gift campaign which began three months ago, was brought to a close Tuesday, June 12, when a large assembly of people gathered here from the country and nearby cities and towns to witness the distribution of the gifts which took place at the west park. The judges were Rev. W. C. Schaffer of Pleasant Plains, B. Primm of Tallula and J. H. Hubbs of Prentice. The Chevrolet automobile was given to Robert Viands, Victoria, Miss Mary Hagan, brass bed, Junior Hexter, davenport, Bruce George, Hoosier cabinet, Will Duffy, radio, Henry Ring, dining table, Mrs. Dallas Harding, rug and dining chairs, Mrs. Walter Savage, buffet, Mrs. John Dixon and other things too numerous to mention.

Henrietta Bast of Tallula, spent the day Tuesday with P. W. Bast and family.

Mr. and Mrs. George Way and son Billy motored over to Pleasant Plains Tuesday evening.

Mr. Yates, Chevrolet agent from Petersburg was a visitor in Ashland Tuesday.

Mr. and Mrs. Ollie Moore of Alexander and Miss Helen Young of Jacksonville were Tuesday guests at the Henry Yancy home.

Mr. and Mrs. George V. Flinn were Ashland visitors Tuesday from Jacksonville.

Rev. Dr. Betcher was a business visitor to Chandlerville Monday.

Miss Ethel Wyatt, nurse at the Springfield hospital, is visiting a few days with her mother, Mrs. Sarah Wyatt and family.

Mr. and Mrs. Frank McGraugh were in Springfield Sunday as guests for the day of Mr. and Mrs. Charles McGraugh. They were accompanied home by Master Charles McGraugh Jr., who will spend a few days with relatives.

Jessie Eulene and Maxine Wyatt of Gainer Chapel are visiting their grandparents, Mr. and Mrs. George Bailey and Mrs. Sarah Wyatt.

Dr. and Mrs. R. O. Beades, son Elmer Lee and Luetta Zahn were in Bloomington this week to attend the graduation of their son William of the Wesleyan University, which took place Wednesday, June 13.

Miss Verdie Jones was a week end visitor from Springfield of relatives in Ashland.

Mrs. Henry Bilton has returned from a few days visit with her mother, Mrs. C. Buckley at Mt. Sterling, Ill.

Rev. W. C. Shaffer was an Ashland caller Tuesday from Pleasant Plains.

Mrs. Henry Awalt and son of Pleasant Plains, spent the day Tuesday here with friends.

Miss Nettie Elder and Miss Dolly Skags of Pleasant Plains were visiting Tuesday with relatives and friends in Ashland.

James Sherwood Taylor, a medical student from St. Louis, Mo., has arrived in Ashland and will spend the summer with Dr. W. S. Taylor and family.

Miss Bessie Haggart has gone to Beardstown and will be a guest for several days at the home of her brother, Raymond Haggart and family.

Mr. and Mrs. George S. Burgin were in Petersburg Sunday and visited the day with Mr. and Mrs. S. H. Terhune.

Mrs. L. W. Nottingham was here Tuesday from Springfield and visited her sister, Mrs. Mary Hewitt.

Mrs. Pearl Drake visited the week-end with Mr. and Mrs. Watson Clowers in Beardstown.

Mr. and Mrs. Harrison Carson were Ashland callers Sunday afternoon from Springfield.

Ralph Myer and Vernon Smith were calling in Ashland Sunday evening from Beardstown.

Henry Yancy and daughter, Miss Edith were in Jacksonville Sunday to see Mrs. Yancy who is a patient at Our Saviour's hospital.

Mrs. George Dinkle and Miss Bell Bryant were among the Ashland visitors Monday from Tallula.

Miss Mable Eddings and Ben Smith were Ashland visitors Monday from Tallula.

Mrs. Della Goodman made Monday a shopping day in Springfield.

Special sale Women's Gingham Dresses \$2.98. EMPORIUM

STORES WILL CLOSE

Local merchants will close their places after noon today, and the people should remember to do their necessary shopping this morning. Grocery stores and meat markets, however, will open at 4 o'clock and dispose of perishable goods. Places of amusement and confectionary stores will remain open. The above action has been requested by the holiday committee of the Chamber of Commerce, who have in turn been requested by the American Legion to ask this of the merchants.

HAS BEEN 35 YEARS IN SERVICE OF FIRM

George Coffman. Celebrates Anniversary of Employment by Brown Piano Co.—Has Handled Thousands of Instruments, and Holds Position of Trust.

Thirty-five years ago today George Coffman entered the employ of the W. T. Brown Piano Co., in this city, and he is still on the job. And for that same period of time, Mr. Coffman has never missed a morning perusal of the Jacksonville Journal.

Mr. Coffman is taking the day off at the invitation of his employers to celebrate the 35th anniversary of his employment there. He has the oversight of piano moving, and has during his long period of employment handled thousands of instruments. When a car load of pianos arrives for the company, Mr. Coffman takes care of the freight bills and oversees the unloading, moving and unboxing of the instruments. All these years he has faithfully performed his tasks in a manner

ODD FELLOWS TO HOLD SOCIAL MEETING

A special meeting of the Odd Fellows of Jacksonville and vicinity will be held in Odd Fellows hall on West State street Friday morning, June 15th.

This meeting has been arranged to give all Odd Fellows an opportunity to meet and hear Assistant Grand Instructor Adam Green of McLeansboro, Ill., who is in the city as a delegate to the Convention of the Spanish War Veterans; also to meet Grand Secretary J. H. Sikes of Springfield, Grand Marshal Roy Johnson of Clinton and such other officers of the Grand Lodge of Illinois who may attend the Patriotic Jubilee.

The committee in charge of the meeting consists of Judge William E. Thomson, William J. Roberts and James R. Rice of Upsilon Lodge No. 243; and Arthur G. Cody, John A. McGlothlin and Elliott Craft of Illinois Lodge No. 4.

The original plans had been to hold an open meeting for all Odd Fellows, Rebekahs and their friends, but this plan has been abandoned, and the meeting Friday evening will be for all third degree Odd Fellows.

Assistant Grand Instructor Adam Green will exemplify the work of Odd Fellowship in the second degree, thus giving instruction in a degree which is desired by all Odd Fellows.

After the formal meeting a social time will be had and light refreshments will be served.

ATTENTION K. OF C.

MORNING ALWAYS FOUND HER TIRED

Miss Snider Praises Tanlac for Entirely Restoring Health—Gains 8 pounds.

"When I get started telling anyone about Tanlac I get so enthused I hardly know when to stop. For this remarkable medicine has done me so much good I could praise it the live-long day," declared Miss Margaret Snider, popular girl of 5527 S. Wabash St., Chicago.

"I passed through a year of misery with stomach trouble and was in a terribly run-down condition. My appetite left me and I was eating scarcely enough to keep up my strength. I had splitting headaches, my sleep was so disturbed and my nerves in such an excited state that every morning found me as tired and worn-out as when I went to bed."

"The Tanlac treatment is certainly wonderful. I have now taken four bottles and it has given me a keen appetite, my food agrees with me and I have gained eight pounds. All my other troubles are gone, too, and as for my recommending Tanlac, that goes without saying."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37-million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.

ACTIVE STOCK ISSUES
DISPLAY HEAVY TONE

FINANCIAL.
Day's total sales 701,200
shares.
Twenty industrials averaged
92.44; net loss .35.
High 1923 — 105.38; low
92.77.
Twenty railroads averaged
92.16; net loss .29.
High 1923 — 90.63; low
90.13.
Total sales (par value)
\$10,427,000.

NEW YORK, June 14.—Con-
flicting price movements charac-
terized the disjunctive trading in
today's stock market, most of the
active issues displaying a heavy
tone throughout the session.

There was little or no public
buying and speculation for the
decline had little difficulty in
pressing prices in nearly all sec-
tions of the list. Another flock
of new low records for the year
was established, during the day. United
States Steel touched 94½ and
then rallied feebly for a net loss
of one point on the day. Other
stocks to sell at new low prices
for the year were Corden, Pacific
and Texas Oils. Standard Oil of
New Jersey, and Phillips Petro-
leum the net losses averaging
more than a point.

Reports that flush production
in the Southern California oil
fields shows signs of having
reached its peak failed to stem
the liquidation of oil shares.
Declaration of a quarterly divi-
dend of 75 cents on the new
Underwood Typewriter stock
marked the realization of another
of Wall Street's dividend hopes.
The old stock paid \$2.50 quarter-
ly before it was split up on a four
to one basis the new rate being
equivalent to 3 quarterly on the
old.

U. S. government bonds de-
clined in the early transactions
but regained some of their losses
and closed close to yesterday's
finials.

Looking Ahead

IN ATTEMPTING to vision the demands for its products, which the next ten years may develop, the Standard Oil Company (Indiana), taking counsel of its long experience, is preparing to care for an enormously increased business when it develops.

In the decade just past the demand for gasoline has increased far beyond the dream of the most imaginative, as viewed from 1913.

In that year there were 1,287,000 automotive vehicles registered in continental United States.

Today there are more than ten times as many, yet, the Standard Oil Company (Indiana) is able to supply the demand for its service now more promptly and with greater efficiency than was possible ten years ago.

The Company has been able to keep up with this great, constantly increasing, demand because it always is working with a keen eye to the future and preparing, so far as is possible for the extreme demand which may be developed.

During the past ten years the Company has found it necessary to expand its manufacturing facilities to an extraordinary degree; to create and develop processes which would recover a greater amount of gasoline from a given quantity of crude, without in any way sacrificing quality—to expand and perfect a network of distributing outlets which would operate with machine-like precision—bulk storage depots, service stations, delivery trucks and tank wagons.

Not even the remotest spot in the ten Middle Western states is without Standard Oil service.

All of these things have been done. They have been accomplished without any blare of trumpets—just as a part of the day's work.

It is the ambition of the 27,000 men and women who make up the personnel of the Standard Oil Company (Indiana) to conduct every department of the Company's activities so that you, as an American citizen, will point with pride to the Standard Oil Company (Indiana) as a leader in a highly specialized branch of an essential industry.

A VICTORY FOR AMERICAN MOTORISTS

The Crude Rubber Monopoly weakened when it came into contact with aroused public sentiment. The press of the country today reflects the determination of the American motorist that tire prices shall stay at a reasonable level—and that America must produce its own rubber.

Firestone CUTS TIRE PRICES

10%
EFFECTIVE JUNE 11

We announce a 10% reduction in tires and tubes effective June 11th. The lowered cost of crude rubber and the special Firestone manufacturing and distribution advantages make this possible.

Firestone factories are organized on a basis of large volume and effective production. Costs are down but quality is at its peak. Stockholder workmen are daily building many thousands of Gum-Dipped Cords—the best tire Firestone ever produced and, we believe, the leader on the market today.

Firestone Cords took the first four places and eight of the ten money positions in the Indianapolis Sweepstakes, May 30th, without a single tire failure.

Firestone Gum-Dipped Cords have set new standards in mileage, traction, comfort and safety. Car owners have expressed their approval of the extra value in Firestone Gum-Dipped Cords by increasing their purchases 194% in the past six months.

We have replaced many expensive branches with warehouses. We now have 108 distributing points which are delivering Firestone tires to the consumer at the lowest cost in our history.

Follow the tide of economical tire buying—equip with Firestone Gum-Dipped Cords—and learn what Most Miles per Dollar means to you today.

Get a set of these Gum-Dipped Cords from one of the following dealers:

PORTUGALS CONVICTS NOT WANTED

Lisbon, Portugal—Portugal today sends its convicts to the penal colony at Loanda, on the west coast of Africa, but the presence of these undesirables is resented by the Portuguese and foreigners resident there, who have petitioned the government to remove the convicts to one of the islands of the Cape Verde archipelago.

Loanda is prospering these days, and its people declare the presence of the convicts hampers their development.

Where Quality Counts

One third of the cost of a good plumbing, heating or electric job is for work hidden from sight beneath walls and floors, and underground. Costly trouble is sure to develop unless this "unseen" work is properly done. Reliable materials and skillful workmanship cost less in the end—and we supply 'em.

WAR-MADE ARTIST WINS PRIX DE ROME

It was the war that really gave Francis Scott Bradford of New York a chance to find out that he was meant to be a painter and not a lawyer. After he was wounded in action he started painting for fun, and now he has been selected winner of the Prix de Rome, one of the highest art awards of the year. He is shown with one of his paintings.

KITCHEN CUPBOARD

SEASONABLE IDEAS

WHILE fresh rhubarb is abundant let us put up some preserves with rhubarb as a filler with strawberries, pineapple or raspberries; in fact any desired fruit may be used.

One part fresh fruit and two parts of rhubarb cooked together and canned with sugar makes a most delightful preserve and one very reasonable in cost. The flavor of the fruit so predominates that the presence of the rhubarb is hard to detect.

Gem Cakes.—Beat two eggs, separating the whites and yolks; to the yolks add one cupful of sugar; when dissolved add one cupful of rich sour cream, to which has been added one-half teaspoonful of soda. Stir in two and one-half cupfuls of pastry flour, or if ordinary flour is used, two cupfuls, lacking one even tablespoonful of cornstarch. Fold in the whites of the eggs and drop into well-greased gem pans, sprinkle with sugar, drop a raisin on each and bake in a moderate oven.

Marshmallow Chocolate.—Dissolve one-half cupful of sugar in one-fourth of a cupful of water and let it boil five minutes; melt four squares of chocolate over hot water and pour the syrup into it, stirring all the time. Scald the milk, combine the two mixtures, place in a double boiler and stir, boiling several minutes. Cut marshmallows (one dozen) in small dice and drop into the chocolate while hot. Set aside until cool, then beat briskly and pack in ice until thoroughly chilled. Serve in glasses with a spoonful of whipped cream on top of each.

Spaghetti Dinner Dish.—Take 1½ cupfuls of spaghetti, break it in inch pieces, before measuring, then cook in two quarts of boiling water, well salted, until tender, drain and rinse in cold water.

Maryland Griddle Cakes.—Take three cupfuls of flour, three cupfuls of milk, one teaspoonful of salt, two teaspoonfuls of baking powder and three eggs. Beat the eggs well, stir into the milk, sift the dry ingredients, beat hard and fry at once on a hot griddle.

SHEEP FED ON SCREENINGS MAKE MONEY FOR OWNERS

Fort William, Ont., (AP)—The feeding of western sheep and cattle on the screenings from the big elevators at the head-of-the-lakes has been carried on successfully during the past winter. The animals are brought here from the prairie provinces and finished for shipment to eastern markets.

This plan was inaugurated by R. C. Harvey, an Alberta sheep rancher, two years ago. In 1921 he wintered some 6,000 sheep. The railways granted him a thru rate to eastern Canadian points with stop-over privileges. The sheep were fed on a diet consisting of screenings, mixed with an allowance of hay. After being fed for the winter months on this concentrated ration, the animals showed a very profitable increase and were reloaded for eastern markets.

Last winter Mr. Harvey wintered and fed more than 10,000 sheep. The experimental stage is over, and a saving of thousands of dollars annually is expected to result from this new scheme. Fattening of cattle on the elevator screenings was tried out during the past winter with gratifying results. There is practically an inexhaustible supply of the screenings at the head-of-the-lakes, and the wintering of cattle, as well as sheep, will probably be carried on extensively next winter.

MY PICTURE ON EVERY PACKAGE P. D. Q.

P. D. Q. is a chemical (not an insect powder) that will actually rid a house of Bed Bugs, Roaches, Fleas and Ants with a proper use impossible for them to exist as it kills their eggs as well and thereby stops future generation. A 5c package makes a quart. Free poison tapout in every package to get them in the hard-to-get-at places. Special Hospital size 12.50 makes 5 gallons. Your druggist has it or get it for you. P. D. Q. can also be purchased in sealed bottles, double strength, liquid form. Armstrong's Drug Store Long's Pharmacy

POWER

is absolutely necessary to make a machine run. If something prevents a machine from getting sufficient power, it cannot do its work properly.

The human machine gets its life power from the brain, from which it it dispatched through the spinal cord over the nervous system to every cell in the body. If the lungs, heart, stomach, kidneys, liver, etc., or any part is weak or not working right, something somewhere is cutting off some of the power.

IN MOST CASES THIS POWER IS WEAK BECAUSE OF PRESSURE ON A NERVE WHERE IT LEAVES THE SPINE.

Chiropractic Adjustments remove this pressure and the power gets through. Let us explain more fully how.
